

NOTICE OF INTENT TO ACT UPON A REGULATION

The Reno City Council will be considering the adoption of a new regulation adding a five (5) percent local utility franchise fee for the sale of natural gas to an end-user customer; and other matters properly related thereto.

In compliance with NRS 237.080, local governments are to notify trade associations or owners and officers of businesses that are likely to be affected by the adoption of a proposed rule. You may submit data or arguments to the governing body, or its designee, if you believe the adoption of the referenced ordinances will either: (a) impose a direct and significant economic burden upon business, or (b) directly restrict the formation, operation, or expansion of a business. Any data or arguments must be received no later than **July 15, 2015**.

The proposed rule pertains to the adoption of amendments to Reno Municipal Code Title 5; Chapter 5.90 entitled "Franchises" by adding a new section to Article IV, entitled "Natural Gas Discretionary Service". The proposed rule includes new definitions and implementation of a local utility franchise fee of five (5) percent from the sale of natural gas to an end-user customer.

The Reno City Council will be hearing and considering these amendments at their regularly scheduled meetings on **August 26, 2015** and **September 9, 2015**. City Council meetings take place at 10:00 AM in the Reno City Council Chambers located at 1 East 1st Street, Reno, NV 89501. The agendas for the meetings will be posted at City Hall and on the [website](#) on the Friday before each meeting.
