

Statement of Qualifications Submittal Form for Engineering Plan Review

This submittal form will be used to provide information for the unranked service category of **Engineering Plan Review**, which is likely to include the review of a variety of projects, including but not limited to complex commercial, industrial and residential projects for compliance with Reno Municipal Code, Public Works Design Manual and Standard Detail Drawings.

Firms must demonstrate the ability to review plans/construction documents for compliance with all City of Reno adopted codes, ordinances, as well as code-referenced standards in order to be a service provider in this category. Preference will be given to firms that are not engaged in services for private development in the Reno-Sparks area.

This form must be completed and submitted according to the guidelines set forth in the "Request for Statement of Qualifications". Any manipulation of this form is forbidden and may result in disqualification.
