

Statement of Qualifications Submittal Form for Watershed Restoration, River Restoration, and Bioengineering

This submittal form will be used to provide information for the unranked service category of **Watershed Restoration, River Restoration and Bioengineering**, which includes, but is not limited to the following areas of expertise: conduct feasibility studies for river and stream restoration planning and design, develop conceptual and final designs for river restoration projects (e.g. dam removal, channel design, daylighting, stream bank stabilization and bioengineering), hydrologic, hydraulic 1-and-2 D modeling and model calibration, develop and implement Pre and Post Monitoring of restoration sites and specifying appropriate seed mixes and revegetation planting schemes. Geomorphic analysis for projects intended to promote riparian and riverine processes for habitat, stabilization (both biological and engineered), sediment transport, and water quality benefits. Successfully prepare federal and state permit applications and approvals and associated plans for river-related projects.

Firms must perform a majority of the work in this category with in-house staff under direction of a Registered Professional Engineer licensed in the State of Nevada.

This form must be completed and submitted according to the guidelines set forth in the "Request for Statement of Qualifications". Any manipulation of this form is forbidden and may result in disqualification.

I. Company Information

Company Name: _____

Company Address (office location where work for this service will be performed):

Primary Contact Name: _____

Title: _____

Phone Number: _____

Email: _____

II. Firm Registration

Is your firm currently registered with Nevada Board of Professional Engineers and Land Surveyors?

III. Subconsultants

List the types of work relevant to this service category for which you may engage subconsultants. The response is limited to the space provided below.

Response is limited to the space below.

V. Key Personnel

Identify a project manager or team leader for this service category and provide a brief narrative of their relevant qualifications and experience. You may list up to five (5) additional current key personnel with experience specifically relevant to this service category. Responses are limited to the spaces provided below.

Project Manager or Team Leader Name and Title _____

Professional License Number/State _____

Home Office Location (City, State) _____

Length of Employment at this Company _____

Qualifications, Experience, and Certifications

1. Employee Name and Title _____

Professional License Number/State _____

Home Office Location (City/State) _____

Length of Employment at this company _____

Qualifications, Experience, and Certifications

2. Employee Name and Title _____

Professional License Number/State _____

Home Office Location (City/State) _____

Length of Employment at this company _____

Qualifications, Experience, and Certifications

3. Employee Name and Title _____

Professional License Number/State _____

Home Office Location (City/State) _____

Length of Employment at this company _____

Qualifications, Experience, and Certifications

4. Employee Name and Title _____

Professional License Number/State _____

Home Office Location (City/State) _____

Length of Employment at this company _____

Qualifications, Experience, and Certifications

5. Employee Name and Title _____

Professional License Number/State _____

Home Office Location (City/State) _____

Length of Employment at this company _____

Qualifications, Experience, and Certifications

VI. PROJECT EXAMPLES

List up to five (5) projects completed by your company that are relevant to this service category. Each project listed shall have at least one (1) key employee from Section V of this form who either managed or played a key role in the project. Responses are limited to the spaces provided below

1. Project Name _____

Project Location _____

Start Date _____ Your Company's Total Consultant Fee _____

Complete Date _____ Total Construction Cost _____

Client name and contact information (Include phone number and email address)

List notable project information, such as dimensions, and material type, permits, or other statistics as applicable or desired.

Company's current key employee name and role:

Project Description: Include project overview, company's role in the project, and list other key personnel currently employed by the company that worked on the project. If subconsultants were utilized, list the company names and describe the nature of their involvement, including what percentage of the consulting fee stated above is comprised of their work. Include the types of waterways, perennial or ephemeral, waterway impairments, and regulatory considerations.

2. Project Name _____

Project Location _____

Start Date _____ Your Company's Total Consultant Fee _____

Complete Date _____ Total Construction Cost _____

Client name and contact information (Include phone number and email address)
