SER0074445	Service Request - Building - Vacant/Blighted/UnsecureSER0074445	This building is NOT vacant however, I live on the 3rd floor and the stairwells are NOT alarmed and the maintenance man Lorenzo informed me on Thanksgiving that the "junkies from Lake Mill Lodge" have migrated into our emergency stairwells and that he is "Maintenance, not Security" and he is tired of having to drive from Sparks... because the "stairwell druggies" keep setting off the alarmed doors, so he turned off ALL the stairwell alarms. Well, Monday was my last straw. I am a hard working healthcare employee who leaves to work at 7:50 five days a week. I smelled a terrible odor coming from the stairwell area, on the third floor, it is the one closest to the Grand Sierra Casino view. So I pushed open the Scarecrow door being that it's not alarmed and hasn't been for months, and I am attaching the picture that I took with my cellphone camera. As soon as I got to my office at my place of employment (the ROC) I wrote a stern email to the leasing office in my building. I informed Brooke Wright that I'm fed-up, I'm contacting the Washoe County Health Department and I'm also contacting the Fire Chief of Washoe County to let them know what all us paying tenants have been living with for YEARS. I also put in the email that there are a majority of section 8 tenants in this building and that I did not think that Washoe County DWSS would appreciate their state of Nevada government funds coming into this building, and the recipients having to live amongst the BIOHAZARDOUS human and animal FECES! The only response I received is the leasing people and the maintenance man turn their face at me now! For this reason I am turning to you for help. I realize that I am not a tenant in this building receiving government funding however I have been in the health care industry for 33 years and I care about the welfare of the individuals in this building. PLEASE contact the leasing office personnel (Brooke Wright) on this matter. Please inspect every stairwell of on each floor - horrific urine and feces smelling - as well as drug needles and aluminum foil all over the stairwell. Please address this matter. Please. (Note: picture attached is human feces and aluminum foils with drug remnants). Thank you kindly.	160 Sinclair St, Reno, NV 89501	Open	Code Enforcement	2024-12-13 07:58:30

SER0074771	4130 Shinners Pl - Junk Vehicles / Debris SER0074771	Per Officer Colleen Reed - Field Notes: 4130 Shriners's place I believe is a nuisance residence. They are allowing unregistered RVs and vehicles to park out in Front running an extension cord. They are washing dishes, have a small barbecue and food out in front of the RV on the sidewalk. The front yard has a lot of debris. Also someone was sleeping in the van in the driveway garbage under it. There were two people both claiming not to own the unregistered Honda on the street working on it. Multiple people popped out of the house, but none of them were owners... appears to be a flop house. SER0075007	2071 Market St. - Unauthorized Business / Occupied RVs SER0075007	<p>Per RPD Officer Reed - So...Feel Good Auto Group I believe has an unauthorized business license operation going on. Pedro says he's working on a license but has 2 employees that were actively working on cars in the back of the property. Most of the dumped vehicles had writing on them fairly consistent with the auto shops writing, this area hasn't been as much of a property prior to this business/ 3 months ago.</p> <p>They were unhappy with my surprise visit. Pedro has 2 tenants living in an RV on his lot who are suspected of dealing fentanyl on the property "Steve and Nikki". They have been seen crossing the fence line into the RTC project property to strip metal, accessible from The auto shops fences line.</p> <p>6 cars were in various stages of being stripped and parted out. Pedro came out to visit but won't claim ownership. They appear to be dumping them to the rear of the business. One employee came out and put wheels on a car and left right there in the street. Witnesses in the area came to speak with me while on scene waiting for tows. 5 tows were made.</p> <p>The area seems to be very active if we can start looking at the license.</p>	2071 Market St, Reno, NV 89502	Open	Code Enforcement	2024-12-19 14:58:54
