SER0073821	Trees from 1155 Glenda Way, Reno NVSER0073821	Hi Marissa - Thanks for taking my call. I am one of the owners of Bavarian Villa at 1010 Berrum Lane, Reno. Our next door neighbor, The Cottages at Glenda Way at 1155 Glenda Way, Reno Nevada has some trees that have limbs coming over the property line and extend over our roof. I have tried contacting Debbie at Gaston Wilkerson (the property management company) over the last month but have not had a response. This issue also existed last year and Debbie was able to get the limbs trimmed back a bit, but not beyond the property line. This year our insurance company has commented that the tree should be trimmed back to behind the common fence/presumed property line. Below is a map of our two properties. Mine is the one on the right with the green roofs. The Cottages is the one on the left with the arrow pointing to it. Thank you for the recent attention to the overgrowth on our public sidewalks on the Boynton Av walkway in my community. They were finally attended to after 9 months of complaining to my city officials. However this issue with the foxtails has not been resolved, and it has cost me \$300 in a veterinarian bill at Pinion Veterinary Hospital because of this issue; which still has not been resolved. I will be more than happy to send you a copy of my veterinarian bill for the foxtail injury by sending me a self stamped envelope to put a copy in it to send to you. Here is today's pictures I just took of this ongoing issue. I have no idea what homes are responsible for the upkeep but they never got notified or fined for it so let's get someone out there to find which home owner or renter is responsible...and let's get it done before January 2025...the original complaint was sent way back in May 2024. SER0074033	Service Request - Irrigation Ditch MaintenanceSER0074033	Drainage from existing ditch on APN 021-670-36 is flooding my property located at 4899 Bay Ridge via ditch over flow and seepage. The flows within the ditch are stagnant causing the drainage to overflow over the ditch bank. This is a critical issue due to the fact that if there is a storm event in the near future my property will be inundated worse than what it already is. I have reached out to the Villages II & III Community Association to report the issue and they omit responsibility. I've trying to solve the issue with the HOA but they have been difficult to work with and deny any responsibility or wrongdoing. I originally reported the issue to the HOA on 10/5/24. Since then, I've been having to clean debris and sediment coming down from the ditch almost on a daily basis. I have a letter from the HOA denying my claim. I also have pictures and videos of the flooding and erosion to corroborate my issue which are available upon request. Please reach out ASAP as I am afraid that the issue may have worst consequences.	4899 Bayridge Ln, Reno, NV 89502	Closed	Code Enforcement	2024-12-09 15:40:08
