DEPT: Office of Policy & Strategy

SUBJECT: Bill Draft Requests for the 84th (2027) Session of the Nevada Legislature

Nevada Revised Statutes 218D.205 specifies that the City of Reno is allocated two bill draft requests (BDR) for each regular session of the Nevada legislature. BDRs are requests to change state law. City-sponsored BDRs typically seek to allow for more efficient and effective service delivery to benefit the City of Reno and its residents.

To provide ample time to review and discuss BDRs with Council and stakeholders, staff is requesting Council submit any ideas to the government affairs team by **November 15, 2025**. Following submission of initial ideas, staff will research the topics and prepare policy briefs to further discuss the proposals with Council and stakeholders. Staff will brief Council on the policy briefs in Spring 2026 and bring an item for consideration by the body in August 2026. The subjects of the City's BDRs must be submitted to the Legislative Counsel Bureau on or before September 1, 2026.
