**RENO**  
Memorandum

---

**DATE:** October 23, 2025

**TO:** Mayor and City Council

**THROUGH:** Jackie Bryant, City Manager

**FROM:** Tyler Shaw, Agenda Manager  
Cali Shy, Agenda Coordinator

**DEPT:** City Manager's Office

**SUBJECT:** City of Reno Boards and Commissions 2025 Q1 Vacancy Report

---

This memo provides an overview of current vacancies on the City of Reno's boards and commissions, as well as those anticipated within the next 90 days as of October 22, 2025. Changes in membership occurring after that date are not reflected.

This is the first quarterly vacancy report to the Reno City Council, following Council's action on August 13, 2025, to transfer the administration of boards and commissions from the City Clerk's Office to the City Manager's Office. Since that transition, the City Manager's Office has consolidated the administration of applications, vacancies, and rosters into the City's agenda management system (OneMeeting). This system now generates automated reports on current and upcoming vacancies across all boards, commissions, and committees.

The scope of this report is limited to internal boards and commissions for which appointments are made directly by the Reno City Council. Its purpose is to assist the Mayor and Council in planning for upcoming appointments and reappointments, particularly to the boards where they serve as Council liaisons. To further support this process, staff will also meet individually with each Council Member throughout the quarter to review vacancies and applications for the boards they recommend appointments to. These meetings will help ensure timely appointments and reappointments as vacancies occur.
