City's Investment Objectives

- **Investment Objectives:** In accordance with the City's Investment Policy, the City's primary objectives in order of priority are:
 - **Safety** – Safety of principal is the foremost objective of the investment program. Investments for the City will be made in a manner that seeks to ensure the preservation of capital in the overall portfolio.
 - **Liquidity** – The City's investment portfolio will remain sufficiently liquid to enable the City to meet all operating requirements which might be reasonably anticipated.
 - **Yield** – The City's investment portfolio shall be designed with the objective of attaining a market rate of return throughout budgetary and economic cycles, taking into account the investment risk constraints, liquidity needs, and cash flow characteristics of the portfolio.
- ▶ **Certification:** The City has sufficient funds to meet expenditures for the following six-month period.

Portfolio Information Summary

Funds Included in Report

- The following report includes the City's funds held in overnight investment vehicles (savings accounts, money market funds, and Nevada Local Government Investment Pool) and portfolios of individual fixed income securities (Core Portfolio and Liquidity Portfolio).

Portfolio Summary and Characteristics

- Funds are shown on an amortized cost, and market value basis.
 - Amortized Cost Value (Book Value). Represents the original cost of an investment adjusted for amortization of premium or accretion of discount.
 - Market Value. The current price at which that security is trading between buyers and sellers. Valuation is highly dependent on interest rate movements.
- The investment sector, maturity, and credit ratings distribution is shown based on market value basis.
- Demonstrates level of diversification by investment type and credit quality. Additionally, illustrates active management of funds to optimize value in the current market.

Investment Program Maturity Summary

- The maturity distribution of the City's funds (market value plus accrued interest) from one-day to the ten-year mandated limit.
- Demonstrates level of diversification by maturity date. Shows placement of funds to take advantage of opportunities while ensuring that the City has funds to meet its cash flow needs.

Portfolio Yield Summary

- The historical yield and duration of the City's funds, monthly net distribution rate for the Nevada Local Government Investment Pool (NV LGIP), and the monthly yield for the Bank of America/Merrill Lynch 1 – 5 year Treasury Index is shown for the trailing six months.
- A historical record of the City's overall fund balance and earnings rates.

Investment Guidelines

- The City invests in permitted securities consistent with Nevada Revised Statutes (NRS) Chapter 355.170 – 355.200 and the Reno Municipal Code. The City’s Investment Policy includes additional sector allocation and maturity restrictions that reflect the City’s risk tolerances.
