SER0085078	Service Request - Building - Vacant/Blighted/Unsecur reSER0085078	Homeowners unloaded a UHaul onto their yard, porch, side of house and have done nothing with the stuff. They have multiple shacks in the backyard that people live in and people are living in the garage. There are several disabled cars in the driveway and street. There are multiple autos daily being worked on in front of their house, my house, the neighbors house. These people have at least 9 cars and are always parking in front of my house so there is no parking for my disabled daughter and disabled parents to park. SER0085144	Service Request - Nuisance, Not Otherwise ListedSER0085144	My spouse Ben Bowyer was attacked by neighbors dog that got through a deteriorating fence. My husband was working in the backyard cutting tile when a dog from our backyard neighbor at 4680 Noche lane broke through the fence and attacked him. The dog was attempting to bite him but he was able to keep the dog at a distance with a plank of wood. The dog was directed back into their yard with the wood which was also used to board up the hole created by the dog. We are fortunate that it was not one of our children in the yard and no one was injured. I am filing this report in an effort to get support in negotiations with the corporate landlord in our efforts in communication to fix the deteriorated fence and to remove the trees that are growing into and destroying the fence. I have been in communications with the corporate landlord with the various tenants	4680 Noche Ln, Reno, NV 89502	Closed	Code Enforcement	2025-04-06 10:06:54

SER0085397	Service Request - Yard issues on private propertySER0085397	A fence has been placed blocking a long established walking trail, which has been in use for well over 5 years. Although this is a daily inconvenience for local residents, my primary concern is an increased response time in case of a fire in the area. The fence has fire department Knox Lock keys, but still adds two additional two-panel gates on top of the existing single gate across the road. The new fence also blocks objects from flowing down the culvert and prevents wildlife from passing through the area. The fence also does not fit with any of the existing infrastructure in the area, as it is a commercial style chain link fence in an area where every other fence is a cedar plank style fence. SER0085513	Homeless Concerns on Private Property - 1980 Valley RdSER0085513	Per Vm: "Good morning. My name is Philip Goodman I live on South Maddox Drive in Reno the uh, issue I've got is there is a growing homeless, encampment on the property at 1980 Valley Road. It is a large vacant lot. Uh, owned by a massive corporation which has no contact information but is managed by The Wolfe Run Apartments also on Valley. Uh I've got growing concerns health and sanitation issues with this growing encampment, but there is no legal Authority from the police to do anything. Unless it is filed by the owners who, again, have no knowledge of what's happening on their land. Hopefully you guys can send out some services and help these people to relocate, uh, before anything happens. Thank you so much."	1980 Valley Rd, Reno, NV 89512	Closed	Code Enforcement	2025-04-09 08:27:50
