SER0099235	Service Request - Yard issues on private propertySER0099235	My neighbor at 1130 West First St., put up a, supposedly temporary fence, in the front yard of their house . The fence is inside the West First Street City of Reno Right-a-way. The fence is about 30" high and made out of black vis queen with wood stacks. The vis queen is sagging and often torn. It is a real eye sore. The neighbors know that they cannot have a permanent fence in the City of Reno right-a-way and that it is not in compliance with the City of Reno code. The fence has been there for about 2 years. I would like the fence to be removed as it is not aesthetically pleasing to the neighborhood. I did call Reno Direct complaining about the fence about 2 weeks ago. I have not heard anything back from the City regarding this issue.	1132 W 1st St, Reno, NV 89503	Open	Code Enforcement	2025-08-08 15:01:34

SER0099282	Noise complaint @residential area!SER0099282	Dear Reno direct, Hello and good day, I am sending a message regarding a noise complaint near a residential area, 2880 wrondel way. The company Sierra maintenance has been disturbing the neighborhood making noise at 5am in the morning. We know that the noise ordinance doesn't allow noise between 11pm to 6am. This has caused problems for children, elders, and people who have to wake up early morning trying to get another hour of sleep. Our neighbors have already had a conflict when asking them to not make noise at 5 in the morning. When our neighbor asked she was told to mind her business. We only ask that this company be more considerate of the neighborhood around them as they are right behind our homes. - resident Anabel	2880 Wrondel Way, Reno, NV 89502	Open	Code Enforcement	2025-08-09 11:48:56

SER0099360	Service Request - Yard issues on private propertySER0099360	3-4 acre pasture filled with dead dry tumbleweeds inclosed within a wood fence area on the property. This pasture area back ups to my fence line (wood) and numerous residences in the Regency Caramella Ranch. This unkept tumbleweed area poses an extreme fire hazard which could if ignited burn down our fences and houses throughout my development. The prevailing winds blow the dead weeds along the fence line closest to my subdivision. The weeds build up (stack up) then blow over the fence and into the yards of my subdivision. Recently, last years fire season, there were numerous large fires around my housing area, the largest being the Thomas Creek Fire. Based upon the fires, numerous homeowners in my surrounding areas, Montreux, Arrowcreek and Curti Ranch have had their fire policies cancelled	9393 Western Skies Dr, Reno, NV 89521	Closed	Code Enforcement	2025-08-11 08:13:47

SER0099389	Service Request - Park Issues - Trash, Vegetation, Lighting, Turf, RepairsSER0099389	The issue is a privately owned median on Double R Blvd, located immediately north of the Triana North condominium complex. The median has trees and shrubs that are a traffic hazard that obstruct the view of vehicles exiting Triana North heading north. RTC has determined the median is a traffic hazard. There has been confusion from the city as to the median ownership. After many weeks of researching I have been informed that the median is owned by RENO CORPORATE CENTER, the city needs to update their records, the city recently notified me the median was owned by South Meadows HOA, that information is incorrect as since South Meadows sold the median two plus years ago. Lastly, my understanding is RCC is awaiting permits to close lanes to address the median. SER0099603	HomelessSER0099603	<p>Good morning,</p> <p>I find it difficult to decide a scenario that matches the item seen in this photo. Whomever it belongs to I would imagine it is a homeless individual that has graduated from a shopping cart to a push cart (I don't know what it is called but carries a lot more than a shopping cart.) that is loaded. The carts at Home Depot are generally painted orange so I don't know where it belongs.</p> <p>The location is the 1400 block of Stardust. It used to be a Motel 6. I have no idea of what their leasing guideline's are but I would they are leasing to anyone and everyone. I would not know as, not my business even though they are in our neighborhood, it is easier for them to operate.</p> <p>Over the past few weeks I have noticed individuals walking</p>	1400 Stardust St, Reno, NV 89503	Closed	Code Enforcement	2025-08-12 10:59:15

		<p>behind the complex and it appears they are moving to the area behind the complex and the buildings to the east. I have no idea what is going on but the cart in the picture leads me to believe they are doing whatever they want and don't care how they act.</p> <p>We make a good living and don't believe the city care's. They react to individuals with a great deal of money versus others. That can be seen specifically in a number of ways. One way is the placement of speed bumps along Skyline versus W. 6th St., Carlin St or Stardust which have none.</p> <p>Respectfully Submitted,</p> <p>Doug Stewart</p> <p>Sent from my iPad</p>

SER0099966	EC Referral - 1035 E. Commercial Row SER0099966	Per Chris with EC - I was called out to the above location by RPD regarding a barrel that has oily soil in it that was dumped over. In looking at the mapping, this is private property and I was unable to locate contact information for the owners (info attached). Can you help with getting them to have this removed and disposed of properly? I placed absorbent on most of the oily spot but they will need to coordinate the removal. Let me know?
