SER0098296	Service Request - Nuisance, Not Otherwise ListedSER0098296	The next door neighbor at 1095 Williams Avenue is placing his excess waste at my curbside the evening before trash days either at night when I go to bed after dark or after I leave for the day. He already illegally is using his recycle cart to get additional pick-up by placing waste in it on trash service days but is placing even more additional waste on the side of my fence which I recently had built. SER0098467	Service Request - Homeless ConcernsSER0098467	There are 20-30 homeless people camped out in tents alongside their bicycles, behind Building C at the northeast corner. On Friday, August 1, 2025, they were heating a bottle filled with powder on an open flame (I pray they're not cooking meth). They are very close to Regency Parks Apartments. There is a wooden fence in the back of the apartments which caused me to be concerned that they may start a fire. I called 311 to report this incident and the Fire Department was called to investigate. The firemen gave the homeless a warning not to cook on an open flame. The homeless are very well hidden. My son had to direct the firemen to Lakeside Ct. then walk behind the strip of businesses and walk down a path to find them. There is a constant flow of homeless coming and going, and money being given, I am assuming for	3200 Lakeside Dr, Reno, NV 89509	Open	Code Enforcement	2025-08-04 07:30:06

Over grown vegetation on the corner property of Roberts Street and Kirman Ave obscuring the oncoming one way traffic. I reported this just over a month ago, and someone trimmed the vegetation into compliance, but it quickly grew back into a hazard. This vegetation has been a hazard for years and I have been cutting it down, but it's time for the owner to remove it - not just trim it. It's an out of control bush/tree/weed. SER0098801	Water and Erosion issue 3470 Lodestar and 3451/3481 Gypsum Rd. Ser# 0095994SER0098801	Marrissa et al at RenoDirect, I don't feel it's ethical to dump one's water on their neighbors.... I've done some substantial work to remedy the water issues from My Roof and My property to Chris Liu's property to the south 3451 Gypsum, piping the water out to the storm drain on Gypsum Rd... but the folks who got Harvey's old place at 3470 Lodestar... seem to have "gone the other way". It looks like to me that each of the gutter downspouts leads into some corrugated plastic rain drain line, which leads to a much larger 5"-6" line that exits from under the new backyard "patio" slab, due EAST, right down the hill into my backyard. ... And they could have just as easily have taken the water to the Lodestar Storm	3470 Lodestar Ln, Reno, NV 89503	Closed	Code Enforcement	2025-08-05 16:33:09

I've installed Terraces and plants to hold the hillside in place and slow the water down as much as possible. My system can manage the water well enough from My Roof and My backyard, but I DON'T THINK IT CAN MANAGE TWO HOUSES AND TWO BACKYARDS WORTH OF WATER... NOR, I feel, Should it Have To! That bare earth erroded area, I believe is owned by the 3470 Lodestar parcel... according to the surveyed markers/monuments.</p> <p>Also, I'm not sure, all that water is so "Healthy" for the new telephone pole that was just installed last year?!</p>
