SER0080085	Service Request - Sidewalk ObstructionSER008008 5	<p>The evergreen bush has encroached to the point that not only are we at single file to pass, trying to keep yourself and your dog from stepping in the muck in the gutter and that gets up on the sidewalk is becoming a challenge; I have seen mothers ducking past the bush while trying to keep their strollers from sliding off the sidewalk.</p> <p>I spoke with a resident of this house and asked that they trim it. Instead, they slightly trimmed the other sidewalk-encroaching bush on their property that was impeding them getting out of their car when it is parked on the street; they did not even touch the evergreen. Of note it has been trimmed in the past, as you can tell by its shape. It needs a refresher!</p> <p>Thank you!</p>	2095 Elmcrest Dr, Reno, NV 89503	Open	Code Enforcement	2025-02-13 10:18:11

		would appreciate it that I'm letting Reno know so that if something does happen and my car is hit that I'm covering all my bases on letting people know. And if it was taken down um, You know, is I don't know if there's a Code issue there or who responsible for that, but I really think that code needs to come out and take a look at this billboard. It is a cross from the river in, on 9400 West, 4th Street. So or right next door to 9401 4th Street, on the hill is right next door to that property on the hill. And it, it looks very unstable. And that is going to come down the hill. my number is 916 865, 8580 I'd appreciate a follow-up or some of you come out here and look at that. Just in case something happens.
