		LLC.  The on site property manager is Kristen Christensen  The lease was generated and managed by Gaston Wilkerson.  I have contacted Nevada Legal Aid and have been to court a few times. No one disclosed contacting your agency as part of the complaint would help proper enforcement.  One of the times we went before a judge the judge explained "this is a direct violation of fair housing laws", "but our scope is limited to eviction".  So please contact me at your earliest convenience.  Tiffanie Michelle Willison 9713987780 Willisontiffanie@gmail.com <mailto:Willisontiffanie@gmail.com>

SER0080490	Service Request - Sidewalk ObstructionSER0080490	I live at Integra peaks apartments located at the above location. I moved here over a year ago and loved the double diamond walking and bike path that connected to the apartments. All summer long and fall I took my daughter for walks on that path. However, months ago I fence was put up blocking access to that path. I have brought it up several times with my apartment complex and they have said it was done by a different hoa and are working to have it removed. However, nothing has been done. This fence was clearly put up to only block out apartments from accessing the path. This feels like discrimination for those who cannot buy a house and blocks out access to public lands and parks. I am hoping the city can do something to have this removed.  Attached are photos from the other side of	875 Damonte Ranch Pkwy, Reno, NV 89521	Closed	Code Enforcement	2025-02-18 16:38:16

SER0080560	2430 Sagittarius - Blocking easement/accessSER00 80560	Per RFD: Dispatch Supervisor Cayci called yesterday afternoon with citizen complaints about a private road/spur off of Sagittarius drive in Dist 7. As you can see highlighted in the map, the spur is bisected by two separate property lines. The parcel highlighted in blue is the source of the complaint. According to the RPD complaint, neighbors are reporting the parcel in blue for parking vehicles in the spur, making the entrance narrow and/or difficult to navigate for the remaining three homes served by the spur. Because the blue parcel is indifferent to the complaints, one of the neighbors starting throwing around the "fire code" phrase which led officers on scene to pass it to the RFD. It's unknown who properly owns the spur, and reminds me of the intersection at Moss Pond bonfires with shared jurisdiction between City/County/Forest	2430 Sagittarius Dr, Reno, NV 89509	Open	Code Enforcement	2025-02-19 11:07:54

		Service but no one wants to put up a sign that would ultimately claim responsibility. The affected homeowners off of Sagittarius would like City enforcement of a fire lane since the blue parcel parking situation obstructs emergency vehicle access to their homes.
