SER0078958	Service Request - No Utilities in RentalSER0078958	<p>No heat since January 11th of 2025.</p> <p>Maintinence came once to come take a look at it, and started working on it, said they would be back the next day as the repair would take a while, and they never returned. The space heater that was provided to me was covered in dirt, grime, and urine. I returned it to the office as this was unacceptable to give a resident a space heater in that condition. I have called the office multiple times about getting someone in to fix the issue, and I have now gone to the office twice to escalate this issue. I have been told every single time that someone will be there in the next few days, someone will be there tomorrow, etc. I have been without heat for 23 days now and this should have been fixed within 48 hours.</p> <p>Maintinence did not even come the first time until Jauary 22nd, nearly 2 weeks after I made</p>	8200 Offenhauser Dr, Reno, NV 89511	Open	Code Enforcement	2025-02-03 15:00:23

SER0079122	2153 Sutro - Fencing Removed - Safety ConcernSER0079122	<p>Good morning, I would like to file a complaint regarding safety at El Chaparral Apartments located at 2153 Sutro Street, Reno, NV, 89512.</p> <p>The safety concern is that they removed the chain link fencing along the sidewalk where there is a ledge (approximately 3-4 feet high) that children can fall off. They placed caution tape along the area; however, it has been almost two weeks and there has been no indication that they will be putting the fence back up. There are several young children that live directly next to the area of concern so your attention to this matter is greatly appreciated</p>	2153 Sutro St, Reno, NV 89512	Open	Code Enforcement	2025-02-04 14:38:31

SER0079132	700 Thoma - Trip Hazard SER0079132	The owner of the duplex at 700-720 Thoma took the innovative step of applying spray foam to the cracks in the sidewalk to control weeds. My concern with it is the bits of foam breaking off and entering the stormwater collection system, but I thought Code might have an interest in the work as it appears to constitute a tripping hazard on the city sidewalk.
