SER0077555	Nuisance on Private Property - 1718 Kristin Way SER0077555	Per Vm: "Hi, there are 2 homes around the block from me that I still need to be inspected. The first 1 is of concern that for more than a year. Now, I don't think there's power to the house the water heater has been leaking. I imagine it's the water heater leaking out from, under the garage door down the, the driveway and has been freezing. And I've seen her empty buckets and everything, it's a solo, Asian woman that lives there. And, the main concern is, there's been no upkeep to the property whatsoever. The garage is pretty full of stuff but the, roof is caving in over the garage, the the third driveway of the garage, so it's not The garage. No full this winter, then you know, the house the the garage the roof would have been. You know completely um there would have been a big hole in the garage over the third driveway of the garage roof. This issue began in late August when the landlord informed us that they would be installing a new drainage system. Over a month later, the system was installed. However, shortly afterward, a strong and persistent sewage odor began to fill the property.                       The odor has been unbearable at times,</p>

		<p>and it seems to worsen on certain days. I reported the issue to the landlord's office two weeks ago, but no one came to inspect or address the problem. When I followed up, I was told that the plumbers needed a door for access to the area under the house. I explained that I did not have the financial means to install a door at the time. I offered to remove some of the metal sheets myself to allow access, and they agreed—but still, no one has come to resolve the issue.</p> <p>Upon further inspection, I found that the old drainage pipe beneath the house was not properly sealed, and raw sewage is leaking from it. This poses a serious risk to our health and well-being. My family has experienced nausea, respiratory issues, diarrhea and we are deeply concerned about the ongoing exposure to raw</p>

SER0077770	Fire inspectorSER0077770	<p>Hello,</p> <p>I have been in communication with the neighborhood behind my home for over 2 years. There is quite a bit of dry brush that has not been trimmed for many years. It has become a fire hazard to all of the homes close by.</p> <p>The association, Wellington, has done nothing to correct the problem. They own the property.</p> <p>Is there anything that your department can do to help us? I would appreciate anything you can do.</p> <p>Thank you,</p> <p>Phyllis Young, 775-225-5049 7855 N Claridge Pointe Pky, Reno, NV 89506</p>	245 Lancaster Dr, Reno, NV 89506	Closed	Code Enforcement	2025-01-22 14:03:52

SER0077823	Service Request - Homeless ConcernsSER0077823	There seems to be people who do not reside in our building living in a garage belonging to apartment #3. I believe it is family members, who are sleeping in a car that is parked in the garage. Just some major concerns with how they're heating it at night, we also know they smoke in there with no windows, and drink from the garden hose hookup at 2am. We havent heard from our property management in over 2 weeks and just need someone to intervene before a fire happens. They always close the door when anyone is around, come and go from the garage to the #3 apartment. There is already 3-4 adults living in the apartment with 3 dogs and sometimes have 5 kids up there as well. It's a bit concerning at this point for everyone here.	1235 Berrum Ln, Reno, NV 89509	Open	Code Enforcement	2025-01-22 21:30:52
