SER0078031	Service Request - Park Issues - Trash, Vegetation, Lighting, Turf, RepairsSER0078031	<p>There are tree branches blocking a combination speed limit/speed bump sign on the corner of Lakeside Drive and East Shore Drive.</p> <p>I believe this intersection is hazardous for drivers attempting to make a left hand turn from East Shore onto Lakeside Drive. When trying to make such a left turn I often encounter drivers that are speeding and not observing the 15 mile per hour speed limit. That the 15 mile per hour sign is blocked may account for some of this behavior.</p> <p>On a related, but separate issue, I also believe that more of the curb should be painted red to disallow parking immediately before the intersection as parked cars also block visibility on that corner. I have attached photos illustrating the situation.</p> <p>Thank you for your help!</p>		Open	Code Enforcement	2025-01-24 12:45:01

It has become a bug concern for my family. Also there are pedestrians , dog walkers, women with strollers walking on the street because there is no sidewalk.
