SER0094989	Dangerous situationSER0094989	<p>I live at 2955 Lakeside Drive in Lakeside Plaza Condimiuns in Reno. The attached video I have included reveals what I consider to be a very dangerous situation. The electric lock mechanism is not securing the gate to the pool. I was informed of this by another homeowner and he stated the property manager, Judy Pinto is aware of this as well as HOA board members and have chosen not to fix it. I believe this could result in someone or a small child accessing the pool and injuring themselves as well as possibly opening the Homeowner's to potential lawsuits. Please address this ASSP or forward to the appropriate agency.</p> <p>May God's mercy, grace, and blessings be with you,</p> <p>Ralph Sorenson</p>	2955 Lakeside Dr, Reno, NV 89509	Open	Code Enforcement	2025-07-04 15:30:26

SER0095152	Service Request - Yard issues on private propertySER0095152	Homeowner has allowed grass, weeds and bushes to become severely overgrown. This is a perpetual issue, despite gentle conversation. Grasses and weeds, across the entire front and side yards, are between 3 and 5 feet high, all visible from street. Bushes are overgrown and vegetation appears parched, likely due to lack of watering, which creates fire hazard. This not only causes the neighborhood to be unsightly, but causes neighbors to be concerned for safety as we are now in serious fire season in Reno.	1801 Fox Run Rd, Reno, NV 89523	Closed	Code Enforcement	2025-07-07 12:37:24

		<p>Hi Tiffani -- four of the trees that Desert Winds installed directly behind our home are dead and brown. It appears the irrigation was never set up to properly water these trees. This feels very much like a fire hazard.</p> <p>Can you please arrange to have these trees replaced and to reset the irrigation so that they are properly watered?</p> <p>I would appreciate your prompt attention to this matter given the potential fire hazard. Thanks and I will look for your confirmation.</p>
