I called the landlord and explained to her that my toilet wasn't working. She said somebody would be there on Friday nobody showed up, I couldn't contact, I called them twenty times. Now I'm sitting all weekend with a toilet that doesn't work and it's overflowing. I have nowhere for me and my 82 year old partner to go to use the restroom. I think it's terrible and I know it's not your fault. If someone could give me a call back and give me some advice what I need to do I would really appreciate it. Thank you very much and I hope you have a good weekend and hopefully speak to your internal week. SER0096746	805 Kuenzli - Riverwood Apt SER0096746	Per RFD - Greetings, This evening we were called to Riverwood to assist an elderly female up the stairs to her second story apartment because 805 Kuenzli is again without an elevator. According to the resident the one working elevator broke this past Monday, July 14th. This elderly resident currently has physical therapy 3 times a week and has been relying on neighbors carrying her up and down the stairs. Tonight she returned home late and asked a neighbor that wasn't able to help and 911 was contacted. I believe this to be our first call to help her this week. The resident said that the last round of the elevators not working she requested being moved to a first floor unit and she was denied. She would like the same this time however hasn't asked because she believes they will again deny her. We hear the suicide attempts, the assault and battery that takes place. It is terrible. The patients need serious help and it does not seem to me that they are getting the proper care.</p> <p>There are suspicions that the owner is bringing people into the facility and collecting more money off of the mental health of these poor teenage and child patients - why are so many cars at this business? Why nine? What exactly is going on inside this place?</p> <p>On Saturday, 7/19/2025, there were ZERO cars at the business overnight. 		<p>the other workers did not arrive to the facility until after 8 a.m. on Sunday, 7/20. Video camera footage shows the comings and goings of the workers at this place and it looked that the patients had little or no supervision on Saturday night into Sunday morning. Yet, today, Monday there are NINE vehicles at this place.</p> <p>Can the City look into the staffing numbers at this business to help me, the next door neighbor, understand just how many vehicles should be at the business located next to my private home?</p> <p>This business is problematic. The owner needs to be held accountable for how the business is being run. It is terrible to see what is going on at this place every day. I see it because I am right next door to it and share a fence with it.</p>

		I'd like this information forwarded to North District PD, Sargent Burrow/RPD CAO. I'd like this complaint added to Code Enforcement case ENF25-C02730. It is my understanding there is a business license case and a hearing scheduled on July 22 on this business as well. Please inform City business licensing that this complaint has been issued, along with many others regarding parking issues and other problems and disturbances of the peace this business has caused. I truly hope the City takes these complaints seriously as this business is a SERIOUS issue. The business is out of control.

SER0096841	Service Request - Rental Property IssuesSER0096841	<p>I am writing to seek urgent assistance regarding an ongoing issue with our landlord, Erin, concerning the property we are currently residing on.</p> <p>We paid Erin a total of \$850 on July 1, 2025, which included a security deposit and one month's rent. We moved onto the property on July 4, 2025, with our RV. However, shortly after our arrival, Erin informed us that we must vacate the premises. She has refused to refund our deposit or any prorated rent for the time we will not be staying, despite us having paid in full.</p> <p>Erin claims that the City is fining her for improper sewage dumping, which she attributes to a leak from our RV. However, the leak has not been confirmed as our fault, and our ability to inspect or resolve the issue has been hindered due to the position we were required to park</p>	201 Surrey Dr, Reno, NV 89521	Closed	Code Enforcement	2025-07-21 14:45:08

SER0096961	Service Request - Nuisance, Not Otherwise ListedSER0096961	Today, Tuesday, July 22, 2025 - there is another worker's car blocking the sidewalk in front of the psychiatric residential treatment facility located at 2840 Sandestin Dr. - SAI MENTAL HEALTH - OMKAAR LLC - Dharmendra Goyal's business. The sidewalk was also blocked on Sunday, July 20, as well as Saturday, July 19 by REMSA ambulance, Tuesday, July 15 and Monday, July 7. I am asking the City to do something about this. It prevents me and my family from being able to walk on the sidewalk, out of the busy street, to the shared neighborhood mailbox kiosk. It prevents me and my family from being able to walk our dog, and more. The workers of this business bring a lot of traffic to and from this facility daily. Most days there are anywhere between six and eleven cars at this place. It creates a very frustrating situation	2840 Sandestin Dr, Reno, NV 89523	Open	Code Enforcement	2025-07-22 12:45:07
