SER0092602	Service Request - Nuisance, Not Otherwise ListedSER0092602	Last year, I sent a Cease and Desist letter to the Sigma Tau Gamma fraternity for using 240 Bisby St. for fraternity events and meetings (SEE: STG Cease and Desist letter). One of the residents/STG members acknowledged in the letter that several "college houses" had been established in our subdivision. At some point in the last year, 260 Bartlett Street added signage to the front of the rental unit for the Sigma Alpha Epsilon fraternity (SEE images). While the house may be vacant now, it is clear that this is one of the college houses the STG member referred to in his letter. This property is several house away from our house, so I don't know the extent of fraternity activities; however, SF8 zoning would seem to exclude any fraternity activity, even if it only consists of signage.	260 Bartlett St, Reno, NV 89512	New	Code Enforcement	2025-06-12 21:28:31
