SER0092743	Service Request - Traffic Obstructions (line of sight/tree obstructing signs)SER0092743	I'm submitting this Service Request because of the situation already reported on April 2025 (please see SER0086021) has significantly deteriorated.. Please see the attached video showing how motorcyclists drive through the driveway connecting Glen Oaks Dr. to Stone Valley Dr., this driveway is meant for emergency access only. Violations like the one shown in the video repeatedly occur daily and they are due to the fact that the homeowner at 6623 Stone Valley Dr. has created in his property a drive meant to circumvent the restrictions of the driveway. Please see the attached photos 1,2,3 showing the details of the bypass. Since April 2025 I had the chance to speak with the homeowner four times about this problem and he repeatedly refused to close the bypass that also extends well beyond his	1781 Glen Oaks Dr, Reno, NV 89523	Open	Code Enforcement	2025-06-15 09:25:45

These materials have been there for a long while. Here I'm asking you the following:</p> <ol style="list-style-type: none"> 1) Please have the owner at 6623 Stone Valley Rd. to close the bypass with proper fencing or other ways that prevent once and for all access to the driveway 2) If the bypass is in violation of the City code please give the homeowner all the applicable fines 3) Please seal the driveway to prevent unauthorized access 4) Please have the homeowner to clean up all the dirt and debris dragged from the bypass on to the City ground (Glen Oaks Dr. side) at his own

SER0092749	Service Request - Yard issues on private propertySER0092749	<p>Front yard has overgrown dry weeds literally for YEARS. It needs serious clean up. This property has dried pine tree branches in which the entire front yard poses a fire hazard which is no joke. The trees are beautiful but never maintained. There's even a BBQ in the front yard which thank God the renters have not used recently. It's been a rental property and unfortunately the 20+ year homeowner has allowed the entire front of the property of to become dry weeds etc. with absolutely no management, not even a once a year clean up. Neighbors have grown tired of it being a huge eyesore along with being a fire risk for years.</p>	2961 Jake St, Reno, NV 89502	Open	Code Enforcement	2025-06-15 11:26:11

SER0093060	Nuisance tree falling apartSER0093060	My neighbor has about 5060 foot tree 40% of it is hanging over the fence on my side of my property. The Tree is only about 2 feet from the fence it's dropping big branches, broken, huge branches clogging up my gutters every year I have to clean up all these branches in pods and it's a nuisance. They don't cut it or take care of it. There is a gigantic branch hanging off right now and it's dangerous. this has been going on for years but now it's out of control. I'm only interested in having this issue taken care of because it says I might have to have my homeowners insurance. Take care of anything if the tree breaks the fence or my house so I'm bringing it to your attention that it is a nuisance now ahead of time so you all know that I've already complained about it and I will save this for my insurance company but the trees falling apart right now	7945 Monterey Shores Dr, Reno, NV 89506	Open	Code Enforcement	2025-06-17 21:21:28

		<p>and it's dangerous and just a nuisance to my property they Obviously don't care like when the fence blows down they don't do anything about it. They are a problem, neighbors that just calls the city to get a property line drawn, or to complain about anything that they can because they don't like us. Can you please take a look at the tree soon as possible because it is dangerous.</p> <p>J M</p> <p>Sent from my iPhone</p>

SER0093128	Damaged Sidewalk at 1015 Casa LomaSER0093128	Per PW : One of our inspectors was doing a service request on Casa Loma when they saw that the sidewalk on a different address (1015 Casa Loma) was damaged due to the removal of the old driveway. They left a notice at the property, but no one was home. As a driveway replacement does not need an EAE permit or a Building Permit, they are not in violation of a permit, but the sidewalk was damaged due to their work. See attached photos. Since Sunday morning, large industrial fans have been operating in the backyard to ventilate the crawl space or interior of the building. SER0093274	Service Request - Building - Vacant/Blighted/Unsecured reSER0093274	<p>Hello, I called the Reno Police Dept. this morning Thursday 7:45am 6/19/25 about some strange people doing drugs and camping out in the parking lot of 790 Keystone Ave, Reno, NV, 89503. This is a Tanning Salon that has been closed for some time now. There are signs posted on the building and it is private property, however, there are various people some appear to be homeless, some doing drugs, some defacating in the corner of the parking lot in the bushes and leaving trash everywhere.</p> <p>I called the police this morning because there has been an individual camping out and doing drugs in the parking lot. He has been coming and going randomly for about a month or more now. In the past couple weeks there has been another man staying with him in the parking lot and also appears to be doing drugs. 		<p>morning Thursday 6/19 there was a third female with them who also appeared to be doing drugs with them. I've watched them sleep in the parking lot, do drugs, leave trash, defacate in the bushes. They will hide their belongings in the corner of the parking lot in the bushes during the day and leave, then come back at night.</p> <p>They appear to be homeless people that shouldn't be there. However, I don't know for certain or if they are attempting to break into the building. I believe the police had them leave this morning, but I don't know if they will be back again or not.</p> <p>This has also been an ongoing issue since the business has been closed. SER0093288	Service Request - Yard issues on private propertySER0093288	A large Cottonwood tree in our neighbor's yard is causing safety and health issues. The cotton being released from this tree is clogging our air conditioner, water feature in the back yard and causing our allergies to be much more severe. We have had large limbs fall in our yard during heavy winds. The last limb was approximately 3" in diameter and 15' long. The previous owner removed one of the trees due to it splitting and large limbs falling to the ground. Due to the size and very rapid growth of the existing tree we are very concerned about this tree having the same fate and falling on our house or one of us.	6081 Carriage House Way, Reno, NV 89519	New	Code Enforcement	2025-06-19 15:59:38
