SER0083088	Service Request - Debris on Private PropertySER0083088	We do not have an HOA in this subdivision. The owner at 410 River Flow Ct (Brenda Fisher) is having her grown son dump green waste on City of Reno property directly behind their wood fence. The back of my house looks out at that City property, and I have a metal rod fence. As I watched him, I didn't protest when they dumped many wheelbarrow loads of torn up sod, but now they have dragged a dead tree directly behind my property. It may be in retaliation to when I protested them shoring up their leaning fence by drilling screws into the live pine tree (approximately 3 weeks ago). My protests fell on deaf ears, and they did it anyway. I had my handyman remove the screws and boards from the tree. They have since inexpertly repaired their fence and dumped the dead tree in plain sight of my house/yard. I keep the back area (city property) cleared of	410 River Flow Ct, Reno, NV 89523	Open	Code Enforcement	2025-03-15 13:47:08

SER0083385	Service Request - Homeless Concerns on Private PropertySER0083385	As the property caretaker for Mrs. Lund at 3015 Wedekind , I / we have had an on going problem with people camping and littering on the property . Most seems to come from the constant presence of people who beg and steal from the WinCo store ( Wells Farco , Rent a center , Cricket , etc. ) property at 2855 Northtown lane . The wash that stretch's from behind the planet fitness store to the Chevron gas station has exploded with illegal campers . And the ones whom I have encountered have been increasingly aggressive. Today 3-19-25 at 9:00 am I called the Reno PD about a camper on our property along Northtown and they responded quickly and we trespassed a illegal camper . I have talked with every business in that shopping center and all ( I have not heard back from a couple managers and the 2 property	3015 Wedekind Rd, Reno, NV 89512	Closed	Code Enforcement	2025-03-19 10:10:19

SER0083408	*Request for a supervisor callback: Marilyn: 775-223-6664 or 775-746-0405 Per the reporting party, there is a generator running at all hours on this property, from the hours of 9a-4pm and again throughout the night. The concern isn't with the noise but rather the fact that the person is living in a house without power and is splicing NVE lines to power the generator so he has heat. Due to that activity and the overgrown vegetation, there is concern about a fire occurring. There is also concern about the environmental impacts that the generator is causing.	1675 Geary St, Reno, NV 89503	Closed	Code Enforcement	2025-03-19 12:01:42

SER0083541	Service Request - Nuisance, Not Otherwise ListedSER0083541	There were multiple cars on property today at the facility located at 2840 Sandestin Drive. I called Reno Direct and spoke with Jessica earlier this afternoon and asked her what the threshold was for RPD, Reno Fire and REMSA responding to this business. I let her know that the presence of these public servants is constant and ongoing. Today REMSA responded with an ambulance. You can see that in the video attached here. I'd like this video to be added to the active code enforcement case: ENF25-C02449. This business is poorly run. As I explained to Jessica - it is me and my family that witness the escapes by patients, we see the fights and hear them when we are in our backyard, we hear the suicide attempts. I have multiple Fire incident reports and multiple police reports that verify what is taking place inside this facility.
