SER0083621	Service Request - Homeless ConcernsSER0083621	I have attached copies of a couple of emails with the Reno Police to provide some background. In the past we have sent letters and cards to the 144 Wonder address which we found on the internet. However, we now have received some return mail indicating this building has been abandoned. So we expect that he may now be homeless. In which case we would try to figure out how we might be helpful. Our last note from the Reno Police suggested that we should request a "home check". We would sincerely appreciate any information you could provide.	144 Wonder St, Reno, NV 89502	Awaiting Info	Code Enforcement	2025-03-21 09:07:28

SER0083734	Service Request - Nuisance, Not Otherwise ListedSER0083734	hearing and seeing the multitude of patient escapes, the screaming and fighting between the patients and the constant blocking of the public sidewalk by the people who work at this place. It's a disturbance of the peace of the people who live here. There have been 3 visits the last 3 days from Reno Fire Truck and RESMA and this address. It is very unsettling to see this much activity all in 3 days. I worry about the kids who are in this facility. Thursday 3/20. 215pm. SER0083757	Service Request - Debris on Private PropertySER0083757	*Map correction should be for 730 Tahoe street. The map wouldn't allow me to select the correct address. At 730 Tahoe street cans and debris that are not from the owners are being left at the fence of the property. This has become a consistent problem. At times the cans are placed blocking the entrance to the gate and property. The owner now has the burden of at times moving trash cans because the neighbors are not returning cans to their properties after trash collection. Trash cans that don't belong to the owner have to be moved. Further, after these cans get rifled through trash ends up in the 730 Tahoe property. This week there was now a broken oven, a door and other trash placed on the fence.	720 Tahoe St, Reno, NV 89509	Closed	Code Enforcement	2025-03-23 08:42:35

SER0083826	Service Request - Homeless ConcernsSER0083826	Homeless camp on large, neglected, vacant lot owned by Greyrock Wolf LLC; East of Valley Rd, north of Wolf run apartments. This camp is a potential fire hazard. The nights are cold, the weeds are high and dry. There's a large neighborhood to the immediate north and east. The camp cannot be seen from Valley Rd as the weeds and brush are high and the tent or tents are in a grove of trees. To find the camp, fire and or police officials will need to access the property from Valley Rd and head roughly east: the camp is almost to the end of the property. It is near the Orr ditch but not in the ditch. Thank you for your kind attention to this matter.	110 S Maddux Dr, Reno, NV 89512	Open	Code Enforcement	2025-03-24 10:16:20

		<p>I live in Horizon Hills located off N. Virginia, on the Peavine side of the old highway. Our neighborhood is lucky to have been blessed with multiple new warehouses surrounding us versus walls of new apartments.</p> <p>An access road was put in a couple of years back, behind the warehouses and about 1/2 mile long, that was completely landscaped at the time. I walk my dogs on this access road a couple of times a week and I started to notice the trees were disappearing or were damaged. These are landscaping trees that were paid for by somebody.</p> <p>You will see big holes where the trees were literally pulled out of the ground, and you will also see trees that were crudely cut down or their limbs hacked off. These are just a sample of the damage.</p>					

Number	Case	Description	Location	State	Assignment group	▲ Created	Ward number
		<p>The destruction of these trees is very concerning, and it is criminal. If it is happening here, in my little part of the county, then it is probably happening in other parts of our county too.</p> <p>I am going to send a separate email with additional photos of other concerning issues happening out here.</p> <p>Thank you for your time, Sandee Tibbett Submitter Tibbett, Sandee 2230 Pawnee Way, Reno, NV, 89506 Reno, NV 89506, NV 89506 775-354-6640 sanshelly1@charter.net <mailto:sanshelly1@charter.net> View in QAlert<https://url.usb.mimecastprotect.com/s/18UFC3Ymy7f7A7QpHvuGUQnOJn?domain=urld efense.com></p> <p>Washoe County, NV</p> <p>2025-03-24 21:43:33Z</p>

I always shied away from it because of the signage about federally protected wetlands, NDEP, etc., and I didn't want to get in trouble. I just reached out to my friend at NDEP about the possibility of cleaning up in there as well as whitetop mitigation. As you likely know, the whitetop is horrendous in so many of those wetland areas. 		<p>HOA.</p> <ul style="list-style-type: none"> The contract with the HOA regarding the rules around weed mitigation sits with the City of Reno, and the city has the power to cite if the noxious weeds are not being managed. If the HOA wanted to apply for a grant from NDEP to mitigate the weeds and then subcontract with us to do litter pick up as well as any small hand-weeding projects that we could handle, it would be a good proposal from NDEP's perspective. We could even subcontract with them to manage the grant reporting and such as I can't quite picture an HOA handling that. However, we are not interested in being the major grantee and subcontracting with the HOA as the bulk of the money and project would be the weed mitigation piece. <p>Thoughts?
