SER0088885	Service Request - Debris on Private PropertySER0088885	The house next door has been abandoned. In the back yard there are piles of old worn out furniture, mattresses, box springs, and other items just left out on the back porch. Weeds are also growing up everywhere. SER0088916	Service Request - Building - Vacant/Blighted/Unsecured reSER0088916	I live in the fourplex in the alley next door. Both houses on this property have been vacant and unsecured for almost a year. I noticed on multiple occasions several weeks ago that the light in 901 turned on randomly between 1 and 4 in the morning. For the past few nights, I have heard noises that I believe were coming from 901. Someone dumped a couch behind the small house on the same property near my parking spot, and a few days ago a man was sleeping on it. Last summer the property was under construction, but I haven't seen anyone working on it or even visiting (during the day) for many months. I am young and live alone, and the property next door is making me feel unsafe.	901 Wheeler Ave, Reno, NV 89502	Closed	Code Enforcement	2025-05-11 21:52:05

SER0088997	Service Request - Yard issues on private propertySER0088997	I have lived in my home for nearly 13 years and I that time the neighboring property has always been overgrown with vegetation and I have never seen anyone living in the residence although there are house lights on constantly and frequently, about every couple of weeks, someone will drive by, stop at the house, then leave. In January 2021, a tree in the neighbor's backyard snapped, fell across the fence, and landed on my home; thankfully, there was little to no damage. I was able to cut the tree up and clear out the tree. There is a utility trailer that until a week or so ago was parked on the property but it is now parked in the street. There are weeds once again growing on the property after they were mowed earlier this year. The large tree in the front yard has significant branches that are over my garage and I am	2015 Carlin St, Reno, NV 89503	Open	Code Enforcement	2025-05-12 11:36:16

		<p>concerned the branches will break and fall onto and damage the roof of my garage . The backyard is also unkept with trees growing into the phone and power lines. Last year we experienced a downed power line that was sparking and I was concerned of the fire danger presented by their yard.</p>					
SER0089006	Service Request - Yard issues on private propertySER0089006	<p>I am reporting an overgrown front and backyard that is clearly visible from the street. Excessive, unkept vegetation is not only an eyesore but is a safety and health concern as it is likely attracting pests. Additionally, the yard is littered with dog waste which creates a strong odor and poses a public health risk.</p>	4480 Rio POCO Rd, Reno, NV 89502	Open	Code Enforcement	2025-05-12 12:21:59

SER0089008	ComplaintSER0089008	<p>Dear all, I would like to present a case I am experiencing in the apartment I rent from Peaks at the Park, located at 950 Nutmeg PI, Reno NV 89502. I have complained to management on several occasions that the two people who rent apartment #26 at the same address are making noise to disturb those of us who live in the adjacent apartments. In this case, it's me. After 10 p.m., as required by municipal regulations, they stomp on the floor and walls facing my room. I have made several complaints to management via email, verbally, and in writing, but they have done nothing to resolve this situation, which has been going on for months and is a nuisance. I am a 65-year-old adult, and I need a break after work.</p> <p>I request your support, intervention, or advice</p>	950 Nutmeg PI, Reno, NV 89502	Open	Code Enforcement	2025-05-12 12:31:14

SER0089027	Nuisance-First and University WaySER0089027	<p>Per information forwarded by CM Turney, CM Taylor and CM Reese:</p> <p>"Devin and Vice Mayor Taylor, Last year I contacted Devin, and he succeeded in saving a small green space at the corner of First and University Way owned by ATT. Despite last year's efforts it looks like ATT has neglected this corner again. Only one tree survives, the other three died and once again the grass is dead. Last year after Devins' effort they replanted the grass and saved one tree. It was such a nice little pocket of green on an otherwise concrete corner. Is there any way you can approach ATT save what is left to be saved? It is right outside City Hall, take a look.</p> <p>Thanks, Mary"</p>	13 University Way, Reno, NV 89501	Open	Code Enforcement	2025-05-12 14:19:13
