| | | <p>Hello. My name is Alan Rock and I Own consigned Furniture in South Reno on Sierra Center Parkway. And this is more of a question than a complaint. But um, my neighbor, the guy who owns the need to speed building and uh, and the pickleball court building next door to consign Furniture has leased out the excess parking lot, there to core1, Ford for parking, their overflow commercial vehicles and other new trucks and stuff. So it's starting to look like a parking car lot there. And uh, I, it doesn't seem to me like that should fall under the commercial zoning. Ordinance. But I'm not exactly sure so I'm more of a question um about if it is because it's just starting to look you know, not right for for a retail Center. So if you could give me a call back at 775 843, 3491 again that's 775-843-3491 and my name is</p> | | | | | |

| | | The flooding has caused significant damage to the flooring and has led to visible mildew smell & possibly mold growth. This poses serious health risks, especially considering my recent kidney surgery. This morning, I slipped on the wet floor (we hadn't had any leak only for one day and it came back this morning with the vengeance) and injured my knee, which may have compromised my surgical incision. | | | | | |

There is a storm sewer in front of his property and I feel the possibility of leaves in the gutter blowing into the sewer is great. I am 86 and if I can bag the debris from my property, I feel a much younger male can gather his leaves and bag them for trash collection. This was an ongoing problem in 2024, and apparently the City never notified the occupant that it is unacceptable to blow leaves into the gutter. Please sent a notification to 496 W Plumb Lane. | SER0105832 | Obstructed Sidewalk on Arrowcreek PkwySER0105832 | The sidewalk on the west side of Arrowcreek Pkwy between Zolezzi Ln and Rubblestone Dr has become considerably narrowed by overgrown sagebrush, weeds and low overhanging tree limbs, requiring pedestrians and dog-walkers like myself to walk in the street around the areas of greatest encroachment. Washoe Regional Mapping System appears to show that the strip of land where the vegetation is located lies east of (behind) the property lines of the residents whose homes back up to Arrowcreek Pkwy and is therefore presumably public property. Would you be able to send a crew to clean up this area so that we can regain full use of the sidewalks? Thank you. | SER0105836 | Service Request - Nuisance, Not Otherwise ListedSER0105836 | There is a group that uses this property on Monday nights to dance and drum in the parking lot. This goes on from 7pm to 9pm, sometimes later. The base drums they use are as loud as an outdoor concert. I live across the street and can hear it inside my home, even with the tv up. I'm not allowed to go to bed before 9pm because of the noise. I took a video from my property tonight to show how loud it is. This was happening a few years ago, and a code enforcement officer came out and shut them down. It's starting again. Please contact me or send someone to look into this. I believe I'm entitled to live in peace in this neighborhood, for the most part. If this continues, I believe this group needs to have a special "concert" permit, which I don't believe they are entitled to in a residential neighborhood. | 1300 Casazza Dr, Reno, NV 89502 | Closed | Code Enforcement | 2025-10-06 20:44:29 | |
