SER0106935	Sign Obstruction - Skyline Blvd & Gibraltar DrSER0106935	Per vm: "At the intersection of Skyline Blvd & Gibraltar Dr. The tree is covering the stop sign and I did not see it and I flew right past it and almost got T-boned this morning. Very scary. I was just wondering if maybe we could, like trim up the trees or something, just so people could see it a little bit better. Yeah, just giving you my concerns there, but that's it. SER0106948	FW: Activity has been posted on Service Request #193160 (City of Reno General) - Washoe County, NVSER0106948	<p>This camera appears to be located on APN 087-032-05</p> <p>Good day,</p> <p>Washoe311 and the County Clerk's Office is receiving some emails from a citizen by the name of Ismael Arellano (m09511@gmail.com<mailto:m09511@gmail.com>). He says that a camera was put up at White Lake in Reno. It looks like White Lake is in the City of Reno jurisdiction. Would someone be able to confirm who installed and maintains the camera? He says City of Reno closed the ticket but did not say what the response was. He is now coming back to Washoe County.</p> <p>Washoe County, NV Activity was posted on service request ID 193160. 		<p>Comments</p> <p>Washoe311 was forwarded an email from the Clerk's Office. This citizen continues to send them emails about this.</p> <p>Good morning,</p> <p>The City of Reno, opened and closed a ticket on this matter stating it was resolved, also the camera may be on the curtilage of the City of Reno, yet it's not monitoring the City. These cameras are capturing images of the White Lake area which is unincorporated hence the County has jurisdiction and authority over this and I'm asking that the camera be moved to a more useful location, this camera is not serving a life and safety purpose it's just collecting Data and Meta-Data. If the City of Reno was really concerned about life and safety these camera would be in school zones.</p> <p>Respectfully, Ismael</p>

SER0107033	Service Request - Park Issues - Trash, Vegetation, Lighting, Turf, RepairsSER0107033	<p>Hi there,</p> <p>My neighbors Gary & Paula Brooks have been blowing the leaves from their front yard into the street in front of our home and into the curb / gutter area preventing proper drainage and creating an unsightly mess in front of our home at 2445 Sand Wedge Lane Reno Nv 89523. This has been going on for at least 2 years. I have personally cleaned these up numerous times and paid my landscaper to as well. I'm no longer going to do this as it is not my responsibility. I have sent certified mail to these individuals that they signed and received about a week ago asking them to stop doing this . They decided to go ahead and pile them up again with their leaf blower yesterday. They feel because they xeriscaped their yard that they no longer are responsible to pick up the leaves from my trees</p>	2435 Sand Wedge Ln, Reno, NV 89523	Open	Code Enforcement	2025-10-18 13:04:29

SER0107056	Service Request - Nuisance, Not Otherwise ListedSER0107056	<p>My neighbor recently installed motion-sensor floodlights in their backyard that shine directly into my bedroom windows. The lights are roughly 170 feet from my windows (about 100 feet from their property line to mine) but are bright enough to fully illuminate my bedroom when triggered. They activate every 5–10 minutes throughout the night. The frequent activation wakes me up repeatedly, and also wakes my dog, who barks because he thinks someone is outside.</p> <p>This situation is preventing restful sleep and causing ongoing nighttime disturbance. I'm requesting that Code Enforcement investigate for possible light nuisance or glare/spillover violation and contact the property owner to have the fixtures adjusted or shielded.</p>	7260 Windstar Dr, Reno, NV 89523	Closed	Code Enforcement	2025-10-19 11:25:24
