I know that I have the ability and option to move when my lease is up but this is an ideal location for my girlfriend and I and the price of rent is decent. The carpets are stained, pet poop all over the property as well as cigarette butts, and other trash, etc. I constantly have to email them about these issues. I think it would be better if the city of Reno took ownership of these

SER0102708	Service Request - Building - Vacant/Blighted/UnsecuredSER0102708	<p>Approximately August 18, 2025, two logging dump trucks moved their contents by overhead crane into this backyard. The logs of varying sizes are massive in diameter and length. They were dumped at random in the backyard without any effort to secure them from rolling if kids were to play on them. As they are way too big for a person's fireplace material, I'm concerned that this may become a blight issue as well as a safety concern, since they are higher than the six-foot fence and can be seen by children who frequent the area for their bus stop. Not sure where they have come from, so don't know if it's a health concern for insects. We request to remain anonymous.</p>	10083 Albite St, Reno, NV 89506	Open	Code Enforcement	2025-09-08 16:34:42

SER0102991	Service Request - Debris on Private PropertySER0102991	Apartment residents are being forced to use one single trash compactor on site vice the trash valet service we pay for monthly as apartment residents. Many residents are disabled and cannot travel to the compactor to do this. We are paying for a service not being provided. There are no dumpsters also on site that we could use instead of trash valet service. I think the city needs to address this, the complex is having some issue with the trash collection company but won't give the apartment residents any information about why it is happening. This is the Integra Peaks apartment complex, I am a resident.	875 Damonte Ranch Pkwy, Reno, NV 89521	Open	Code Enforcement	2025-09-11 06:31:34
