SER0103339	Service Request - Yard issues on private propertySER0103339	This home has been condemned. The property has been vacant for about a week. We have been dealing with a horrible odor for years. The main cause of the odor was found to be dog poop, cats, and trash. However, since the people have left, there is a new, unsettling odor. There is a bucket in the front yard that is being taken over by flies, and there is a smell that reminds me of decay. We are worried there may be a dead animal somewhere on the property. We are aware that this property has been purchased by a company who is going to flip and sell it. However, we need the cleanup process to begin. The smell is horrific, and again, no one on the entire street can enjoy their outdoor space.	3355 Bowie Rd, Reno, NV 89503	Closed	Code Enforcement	2025-09-15 07:51:16

SER0103438	Service Request - Planning and Zoning IssuesSER0103438	I own a neighboring property. I would like my name withheld from the parties involved, so treat my information as confidential. I had to pick a category, but besides permitting issues, there is also a concerns regarding the construction and modifications being undertaken, including (to my understanding from someone else) allowing Reno Vulcanizing to use property to park excess cars for their next door business. I believe the partial in question is zoned for residential use, not commercial. The City folks I spoke with said no one from either 415 Margrave or Reno Vulc. have pulled any permits. They have cleared back yard of property, and appear to be putting up a intermediate metal fence this shortening the existing yard of the residence. Much of the existing would fence in back has been removed and they have brought in a backhoe and lots of	415 Margrave Dr, Reno, NV 89502	Closed	Code Enforcement	2025-09-15 13:56:49

		"grading material" (high piles of sand/gravel/etc.). City folks said no sale of this portion of the parcel has occurred, so perhaps the plans is to lease the portion of property to Reno Vulc. I believe this work should have required a permit, and further believe that any arrangement to permit parking of vehicles associated with the commercial business of Reno Vulc for parking or any other use, is not consistent with zoning. MY name, contact info, etc. I request to be kept CONFIDENTIAL as you investigate this. Dan from the building compliance dept said I could request to report anonymously.

The timing of the construction is unacceptable and I am making a formal complaint for unnecessary noise during unacceptable hours of the day - all for a tennis court. My family's mental health (and likely that of others in the neighborhood) should at least require loud work to be done during a normal working day.</p> <p>This is related to the concern I expressed back in March, for which I never received a response.</p> <p>Thanks for your support on this matter.</p> <p>Ryan & Anna Costella 1715 S. 		<p>impacted significantly by this decision. We do share your concerns around noise. The bedrooms for our entire family are on the north side of our property, just across the way from the courts. We always hear when tennis is being played, so we will definitely be impacted by pickleball.</p> <p>We have concerns about the significant change in ongoing and repetitive "popping" noise and the disruptive impact that will have on our family, especially our young children during times of rest during the day and sleep at night.</p>

		<p>In addition, your concerns about declining property values near pickleball courts should not be ignored.</p> <p>While we fervently respect the rights of private citizens to make decisions about their property, the City should consider weighing in and providing formal guidance when those decisions will have a material and detrimental physical, mental, and emotional impact beyond the jurisdiction of the HOA.</p> <p>Please let us know how we can help advocate</p>

At a minimum, we would ask that the City temporarily pause the effort to study the impact of this project on quality of life of the broader neighborhood; in particular, we recommend they provide formal guidance to the project in order to mitigate the negative effects of loud and repetitive noise in the neighborhood.</p> <p>Thank you for your concern. SER0103962	Service Request - Debris on Private PropertySER0103962	I have noticed trash accumulating on the hill at the end of the roadway in front of 3300 Gypsum road, next to the property's driveway. This trash includes household appliances, furniture, and car parts. In my images, I believe that's a mini-fridge, what looks like car parts, a stove, parts of a sofa, and broken lawn chairs. There is more over the hill that's not visible. I'm not sure if it's someone who lives nearby dumping in their own backyard, but this neighborhood has had issues with people dumping before, usually along Moraine way at the bottom of or along the hill which can be seen from the road. If dumping here is illegal, I would suggest signage stating as such along this road in particular and the fines it could incur.	3266 Gypsum Rd, Reno, NV 89503	New	Code Enforcement	2025-09-18 17:06:58

SER0103974	Service Request - Debris on Private PropertySER0103974	The maintenance man for 777 gentry way goes by the name of Luis and he allowed a homeless man and multiple others to do work around the trailer park and on the street of leisure lane in Reno nv 89502 and he's been trying to renovate the freeway wall area across the street from 252 leisure lane. He spoke with the neighbor living at 252 leisure lane and said he will be decorating and putting other patio furniture and digging the area and there is a transformer in the location and he has not gotten permission from a surveyor to do anything and has already cut multiple trees belonging to the freeway I'm devastated because the trees looked great and they don't belong to him and he doesn't even live in my trailer park so it's very frustrating to handle. 		concerned and I don't like that my neighbor decorated with patio furniture across the street from her house claiming the freeway property for her and the homeless to hang out at. I would greatly appreciate if someone could come asap and remove the items next to the freeway wall before they begin putting anything else. The woman living at 252 since has placed many plants in the area that belongs to the freeway next to this broken patio furniture that is black and has holes through it.she doesn't care that the freeway is not her property because she keeps placing more and more items in The location and bringing a hose across the street and getting in the way of the cars passing by because her hose is in the street when she brings it out. This has to be stopped it's driving me crazy she is the only neighbor here that has claimed that area

		<p>everyone else on the street knows not to place nothing there because that property is across the street touching the freeway wall and was not included in our rental agreement. I've seen multiple homeless people sleeping on the patio bench that has no cushions it looks really bad and devalues the surrounding location and my home. These homeless people keep coming around the property because of this bench she has put up next to the freeway wall it's keeping me up at night not knowing if a homeless person will sleep there and when this homeless man will be back to decorate I also apologize the pictures were taken in the night but you can see the patio bench has a tan rug on top where you sit so you can't miss this stuff with a multitude of plants across from her house she lives at 252 leisure lane.</p>
