Today, September 2, they set up shop again at 3pm in front yard with a food truck.</p> <p>What are the guidelines that need to be in place in terms of noise, underage drinking, number of people residing in the house etc.? SER0102146	Service Request - Building - Vacant/Blighted/Unsecur reSER0102146	Hello, I filed a complaint against 4962 Newport Ct about a month maybe a bit more, this modular has been abandoned for over 3 years, every 6-12 months I call do to blight and worry of how easily a fire could start. Also a motor in the driveway that several young children have messed with and the motor is ready to fall over, and could kill a small child, I do not understand why the city isn't doing anything about this, as a property owner this modular adversely affects property values and needs something done NOW. SER0102341	Service Request - Debris on Private PropertySER0102341	The homeowner of 647 Manor frequently uses the alley as his private dumpster. There is trash that is not collected or marked for collection left out in the alley. I spoke to him about it, letting him know that I witnessed the unhoused population "shopping" from the alley behind his house and my concerns about potential security issues, not to mention no one should be using public alleyways as their personal dump sites. He didn't seem to care and said that if I saw something illegal, I should contact the authorities. So here I am. The attachments are from today, Sept. 4th. I have not documented other instances, but I will be since he was quite dismissive and rude and doesn't seem to have any concerns whatsoever about his repeat behavior. Neighbors have told me that they have reported him in the past as well. Thanks for your help	647 Manor Dr, Reno, NV 89509	Open	Code Enforcement	2025-09-04 13:36:40
