SER0124939	7th St & Sutro NE lot SER0124939	<p>The private property at the corner the north east corner of seventh Street and Sutro that backs up to WCC designs has become an increased problem this week with anywhere between 5 to 12 campers. As I recall this was a private property. I had contact with last year out of California, I believe for two years now some sort of fencing or management of the lot has been asked for. Today, I assisted RTC with removal of camps and tents up against their bus stop. I aired on the side of having an agreement with the property owner and several were trespassed. Can we please reach out and have this lot secured ? camping has become a problem again. I believe RTC is going to be making a complaint. I attached photos of some of the debris and things that were left after the occupants walked away.</p> <p>Sorry for the errors, out</p>	1207 E 7th St, Reno, NV 89512	Open	Code Enforcement	2026-04-15 15:02:21
