SER0126911	Service Request - Nuisance, Not Otherwise ListedSER0126911	For an extended period, our neighbors have allowed a severe pigeon infestation to develop on their roof, particularly underneath their solar panels where the birds are nesting. Despite our best efforts to mitigate the impact on our own property—including installing wire barriers, placing deterrents, and adding a plastic owl—we continue to experience significant and unacceptable consequences. Last year we were dealing with a dead carcass in our yard at least once a week so we took aggressive action and added decoys in our backyard as well as stringing wires from our house to our fence to our back fence so that the hawk could not enjoy its daily prey in our backyard. Our neighbors who have this infestation of pigeons do not take care of their backyard and they have two foot tall weeds throughout I believe this is a huge health hazard	2589 Spring Flower Dr, Reno, NV 89521	Open	Code Enforcement	2026-05-04 16:19:26

		<p>as carcasses could be rotting there and nobody would know and most likely they are riding there because of the experience we have had with the Hawks enjoying their prey in our backyard</p> <p>Additionally, the pigeons have been building nests in our neighbors' roof gutters There are weeds hanging out of the gutters and the pigeon droppings are causing a weed problem on that side of our yard it's a constant problem that we continually have to deal with. where Debris, feathers, and droppings from their property are blowing into our yard, and we are constantly pulling weeds and cleaning up waste that does not originate from our home. Their front and backyard are overgrown with 1–2 foot tall weeds, indicating a clear lack of property maintenance.</p> <p>This issue is now spreading. Over the past week, we have observed pigeons</p>

		<p>roosting on the roof of the home behind us at 10620 Copper Lake Dr. It is likely that the owners are unaware of the growing problem, as dozens of pigeons are now moving between roofs and yards, creating an expanding nuisance and attracting more predatory birds. This situation poses a serious health and safety concern for the neighborhood and the presence of diseased birds, droppings, and animal remains creates a hazardous environment for both animals and people.</p>

SER0127247	221 KeystoneSER0127247	Per anonymous voicemail : "Hi there. Um, I'm a resident in Reno and I reached out and spoke to a representative on February 19th. About a noise, ordinance issue that has been taking place for quite some time. Um, certainly since I've lived in the area I've experienced, I and my neighbors have experienced this, um, what the issue is is there's a car wash. A 24-hour Car. Wash called Keystone Car Wash. Um, it's located, of course, on Keystone Avenue and it plays its music all night long. And I don't understand how that is within any kind of city ordinance where the music can just be played. Uh, At any hour uh 24 hours a day, 7 days a week, uh pretty loudly. So I would really appreciate the city taking this up and resolving this once and for all I'm sure that there is a workable solution. I understand it's a business, I understand	221 Keystone Ave, Reno, NV 89503	Open	Code Enforcement	2026-05-07 08:30:56

		it's a car wash people work um hours where they might need to wash their car at 2 or 3:00 a.m. but the music really, really, really needs to stop. Its really, really, really disruptive the children in the neighborhood, there are, um, elderly people in the neighborhood, so I'd really appreciate it. I don't really want to spend a lot of time on this. I've already spoken to someone uh, several months ago, uh, to now take the next step of doing uh, some sort of an e-form. So I'd appreciate it if you could handle this. This needs to stop though. It's just not fair. Uh, so let's find a balance. Thank you for your time. Have a good day."
