SER0129047	1104 Ralston Street - Property ViolationsSER0129047	<p>Hello Reno Direct Staff,</p> <p>The property at 1104 Ralston Street is not zoned for fraternity use, yet it has operated continuously as an active fraternity residence since September 2025. Attached is a social media post that further demonstrates that the tenants intended to use the residence as a fraternity house and have continued operating it as such despite modifying how events are publicly advertised.</p> <p>The residents of West University Neighborhood have documented an ongoing pattern of Social Host Ordinance violations, nuisance activity, and public safety concerns over the course of two academic semesters starting in September 2025. These recurring issues include:</p> <ul style="list-style-type: none"> • Large-scale parties with excessive music and crowd noise • Repeated violations of city noise ordinances 	1104 Ralston St, Reno, NV 89503	Closed	Code Enforcement	2026-05-22 09:30:39

Attached is a social media post that further demonstrates that the tenants intended to use the residence as a fraternity house and have continued operating it as such despite modifying how events are publicly advertised. I live off of Robb drive near the library and have noticed recently how overgrown the vegetation is on the sidewalk of Robb drive between Everest drive and Antero drive. I have had to walk in the road to pass others because the space is so small on the sidewalk now. I'm hoping this can be cleared up for the safety of the community. The water is overflowing the property in back of Vintage @ The Crossings (11565 Old Virginia Road Reno NV 89521). Residents alerted us to this issue, but submitting pictures and videos. A phone number was provided to the owner of "The Ranch Property" which is labeled on a sign to the property but cannot be found on any online directory. We didn't get the name of the owner, however when we called 775-233-6833 they did identify themselves as the owners and seemed unconcerned blaming it on the rain that recently happened. The water that is overflowing the property is about to come through the retaining walls between the two properties, and is overflowing down the gutters within the parking lot.
