SER0133263	Hidden stop signSER0133263	Hi, Jennifer, Sorry. Just getting back to this. Here is the obscured sign on the corner of Brown and Nixon. Photo of this tree is on the property of the Nixon residence, I gave you. Do you know if there is a footage standard by which to measure whether the stop sign is obscured? I don't think it's relevant in this case, but I have been seeing stop signs that are obscured from some distance, but when you closer, you can see them. I guess I'm asking what would DMV consider an appropriate distance for a driver to begin seeing a clear stop sign. If there is a standard, say 20 feet required for stop signs to be visible within that range of 0 to 20 feet, then that would help in determining which stop signs are obscured.	1301 Nixon Ave, Reno, NV 89509	Closed	Code Enforcement	2026-06-25 11:21:39

		I continue to see stop signs that are covered or otherwise hard to see, usually due to foliage. They have employees at TMWA to look for water waste. Maybe a similar program is needed for identifying stop signs that cannot be seen clearly. Thanks, Rich Bissett, 775 355-6839

SER0133353	Service Request - Building - Vacant/Blighted/Unsecur reSER0133353	Hello, I'm speaking out for myself and neighbors regarding a rental property at 3200 Fairlands Court 89523. This is a rental property that has failed to do any maintenance for the last year. The front lawn is dead and being overtaken by weeds, the sidewalk on the south side of the house is also overgrown with weeds creating a challenge for walkers and children to pass by safely. There appears to be an unknown water leak in the back yard that runs out into the street. This last winter the smoke alarms were going off for months which was a life safety issue for non- English speaking renters. Being a former retired Fire Captain for the City of Reno I took it upon myself to replace the smoke detector battery's. All of the neighbors are also noticing an uptick in rodents that we've never had before. I've contacted the Property Management Company	3200 Fairlands Dr, Reno, NV 89523	New	Code Enforcement	2026-06-25 15:24:40

		several times but no action has been taken. Rentals like this have a significant impact on neighborhoods. For reference, the Property Management Company is Shoenberger & Shoenberger. Sincerely, John Kennedy City of Reno Fire Dept (Retired)					
SER0133359	Both white cabs Two different transport trucks - 12002 S Hills Dr - Parking Illegally/Abandoned vehicleSER0133359	This is an ongoing issue of corwin ford's transport trucks parking in the clearly signed no parking, no unloading area. I am asking again for the city to paint the curbing red as a further deterrent. It is a safety issue as the road is already narrow hence the signage the city of Reno added. follow up number : 775-544-1973	12002 S Hills Dr, Reno, NV 89511	New	Code Enforcement	2026-06-25 15:49:33
