SER0129900	Service Request - No Utilities in RentalSER0129900	We have been having problems with water the entire time we've lived here. This week, on May 26 at 11 am, with no prior notice, I discovered that we didn't have any water to our unit. I emailed our property manager, who emailed back that plumbers were on site and they would be completing repairs that day. Later on the 26th, I received another email saying that repairs would be happening that day and on Thursday (5/28). This morning, 5/29, I went to brush my teeth and discovered we had no water, once again. I emailed the property manager at 9:10 am, then again at 11:40 am, and again at 1:50 pm, with zero response or notice about us being without water. I called the property manager three times, with no response any time. I have multiple chronic illnesses and have a PICC line because of it. I cannot be without running water without risking a	1301 Stardust St, Reno, NV 89503	Closed	Code Enforcement	2026-05-29 13:56:31

SER0129922	1502 Oliver - VacantSER0129922	The above address of 1502 Oliver was a call for service for patrol officers on 5/29/26. The resident located at 1510 Oliver called to report juveniles breaking into the residence. When Officers arrived, they spoke with the resident of 1490 Oliver who reported that she noticed the kids all of which appeared to be middle school age and she ran them off. Officers cleared 1502 Oliver and no one was located inside. The residence looks to have been abandoned with property still inside. The neighbor at 1490 Oliver indicated that the former resident whom she identified as Darren Whittaker with a phone number of (775) 772-2762 left the residence approximately a year ago. She felt as though another family member owned the home but was unsure. I attempted to place a call with the phone number provided and it is disconnected.	1502 Oliver Ave, Reno, NV 89512	Open	Code Enforcement	2026-05-29 16:05:52

SER0129969	Code Violations - Vida Luxury ApartmentsSER0129969	<p>Hi there, I'm not sure if this is worthy of a complaint for a code violation. My apartment complex has gates, which we all have fobs and codes for, but they have barely worked in the 2+ years that I've lived here. I have repeatedly asked them about this and we always seem to get a Band-Aid solution where they work for one day and then non-functioning for months.</p> <p>Recently, I decided to take video of the gates wide open as I leave at 3:00 a.m. every morning for work. I have been back and forth with my complex as well as corporate on this and have recently just sent a certified letter trying to see if they will get these fixed. They have received this over a week ago and I have heard nothing.</p>	6900 Sharlands Ave, Reno, NV 89523	Open	Code Enforcement	2026-05-30 15:31:39

		<p>In the meantime, I had been told in an email from our leasing manager that they are going to take 6 to 12 weeks to be fixed, I find this ridiculous.</p> <p>I feel this is a bait and switch situation. It should not be legal to lure people in thinking this is a gated community. I'm sure they tell the new applicants their "reasoning" on why the gates are opened "through the day" yet are actually opened all the time.</p> <p>They say they keep the gates open all day long to not deter new potential residence as well as for deliveries all throughout the day. Yet, they are opened all night long as well. I have lived in many gated communities in my life and have never, ever heard of this. If things were not functioning properly, they were back up and running within a</p>

		<p>couple of days. I get a lot of pushback on this as they gaslight me and tell me that the gates are indeed working. They truly are not. Many neighbors and I have talked a lot about this over the years and it is a sore spot for everybody, we just don't know which way to go with this.</p> <p>We pay a premium to live here, I would say for myself I pay about \$200 extra a month for these kinds of amenities and promises. This is very disheartening to have paid this all along only to have things working in a half ass manner.</p> <p>I have told them that I would like to seek legal help in this as I am not the only one who pays this premium as we are about 600 units here.</p> <p>Sometimes when the gates are opened, they are leaning on a slant which makes it look like they</p>

If you would like to contact me on this, I would be glad to fill you in. I have dash cam video of the gates opened throughout the night and various times when they should be closed.

This is the Vida Luxury Apartments at 6900 Sharlands Ave, Reno 89523.

SER0130091	SER0130091SER0130091	Hello. I left a voicemail. I just want to be sure I can reach someone in time. I stupidly didnt actually know about this. Or that we could call someone for this. We live at 8900 mahone drive reno nv 89506. We moved into our rental in April and have had mold in our shower. A non working fan in the bathroom, nails sticking out of carpet transitions, no smoke alarm in the kitchen, nails in the fence boards and a rock sitting on the roof to keep birds out. I dont think this pertains to you but pre existing dog damage and damage around the house. We just want someone else to document with us for proof we arent crazy asking for these things since we may go to court. We are currently building out our case for small claims due to retaliation for asking for repairs and be asked to move out multiple times.	8900 Mahon Dr, Reno, NV 89506	Closed	Code Enforcement	2026-06-01 11:16:12
