SER0137001	Service Request - Park Issues - Trash, Vegetation, Lighting, Turf, RepairsSER0137001	Good Morning, My name is Kevin Sinn, and I'm residing at 10245 Cavalry Circle, Reno. After I and my wife moved to the property about a year ago, we were alarmed by the Tree of Heaven growing up through and separating some of our rockwork. My wife is an avid gardener, so we're concerned about the growth of this plant. We removed the small tree and applied an herbicide in an attempt to kill the roots. Unfortunately, it appears that the original plant may have been growing on the neighbor's property at 2720 Gold Mine Ct. From there, its root system may have spread and resulted in the tree growing on our property. As I stated, we removed the part on our property. However, the plant on the neighbor's property continues to spread;	2720 Gold Mine Ct, Reno, NV 89521	Closed	Code Enforcement	2026-07-24 11:37:35

		there are now limbs hanging over the top of our fence. We're worried that the plant's root system will damage our vegetation. If the city can take action to control this aggressive plant, we'll be very grateful. We deeply appreciate any assistance or advice you provide. Sincerely, Kevin and Sayuri Sinn (775) 203-0961 or (775) 203-6811

SER0137004	Request for Investigation of Property Maintenance and Safety Concerns at Saga Reno ApartmentsSER0137004	Dear City of Reno Code Enforcement, I am writing to report what I believe are ongoing property maintenance, safety, and sanitation concerns at Saga Reno Apartments in Reno, Nevada. Although I moved out about a month ago, I lived there for approximately two years and continue to pay rent through the end of my lease. During my tenancy, I observed multiple conditions that I believe may pose health and safety risks to residents. One of my primary concerns was the excessive accumulation of pigeon droppings on apartment balconies. The amount of droppings would become so severe that it created what I believe was a biohazard. Even after cleaning the balcony, it would quickly become covered	2780 Enterprise Rd, Reno, NV 89512	Open	Code Enforcement	2026-07-24 11:42:35

		again. During the two years I lived there, management only arranged for the balconies to be cleaned once. After that, residents were told it was our responsibility to clean the droppings ourselves and that we could be fined if we did not. I also experienced what appeared to be mold growing on the wall inside my apartment. I submitted a maintenance request, but rather than investigating or addressing the source of the issue, maintenance staff simply painted over the affected area without discussing whether it was mold or taking any further action. Another recurring concern was the cleanliness of the common hallways. It was common for vomit

		to remain in the hallways for extended periods, especially on weekends, sometimes remaining for days before being cleaned. This created unsanitary conditions for residents. In addition, the apartment complex failed to maintain basic security features that were advertised to residents. The parking gate and the keyed front entrance to the building were broken for nearly a year while I lived there and, to my knowledge, were not repaired. As a result, the building and parking areas were no longer secured as intended. I am concerned that these conditions reflect a broader pattern of inadequate property maintenance and may continue to affect current residents. I respectfully

		request that your office determine whether these conditions warrant an inspection or enforcement action. If any of these issues fall under another agency's jurisdiction, I would appreciate it if you could direct me to the appropriate office or forward my complaint. SER0137042	Previous Residents of 1316 Buena Vista AveSER0137042	Good afternoon, I am writing to make a formal complaint over the trash the previous evicted residents of 1316 Buena Vista Ave Reno, NV 89503 have left. There is a mountain of trash left on a flatbed trailer that the former residents have left behind. My concern is this has brought unwanted guests to the residents to go through the remaining objects. Ex) said residents, to my understanding, have returned to the house and an arrest was made. Additionally, they have left so much junk after leaving that Waste Management will not pick up their trash cans because it is all left on the street. I want to say that it has been there for at least 2 weeks with no change. Please direct me with who we can contact to	1316 Buena Vista Ave, Reno, NV 89503	Open	Code Enforcement	2026-07-24 13:54:50

SER0137109	Service Request - Illegal SignSER0137109	I am requesting that the City investigate the "Reserved" parking signs located in front of Mo's by the River, located at 718 Jones Street, Reno, NV 89503. While parking on Jones Street, I was approached by a resident who told me that I could not park there because the space was reserved. I explained that the parking space was located on a public street and that there was no official City parking signage indicating that the space was reserved or otherwise restricted. The resident then stated that my vehicle would be towed if I remained parked there. In addition to the "Reserved" signs, I observed trash containers placed along the public sidewalk adjacent to the parking area. In relevant part I argue the following: A coop of chickens, at least 1 rooster and an unknown number of an indeterminate species of bird (to date no person I have conversed with has been able to identify them) exists between 7488 and 7480 Spey Dr, Reno, NV 89506. 7488 Spey Dr has already been found in violation of washoe county ordinance 55.125 by washoe county animal services for the dogs on site.	7488 Spey Dr, Reno, NV 89506	Open	Code Enforcement	2026-07-29 20:38:35

		It is unclear how many dogs are on site, anywhere from 4 to 6. I have seen 6 distinct dogs on site, but I don't know how many live on site for the purposes of washoe county ordinance 55.390. At times the birds have a horrible odor that can be smelt from the street, which Washoe County 55.110 and Reno Sec. 8.22.105 seem to discuss. This has also become a community health risk as it's attracted mice and rats presumably due to the feed. Several residents have been mass deploying poison to try and mitigate the rodents. A rooster is inherently a noisy animal, this is why most municipalities have seen fit to regulate their ownership and outright prohibit them in suburbs. With that in mind, I argue the

		possession of the rooster alone is inherently a violation of Washoe County 55.125 and Reno Sec. 8.22.105 even though Reno and Washoe County appear to possess no specific rooster ordinance.					
		I don't know the correct authority to express this to, but the chicken coop is located directly beneath what appears to be a dryer exhaust vent. This is inherently a fire hazard as a large amount of grain dust, feathers and wood are compactly located beneath the vent of the house most likely to accumulate flammable fibrous material motivated by heated air and would deposit directly onto the coop. Furthermore this is located next to a tree and wooden fence to further exasperate the damage cause by a fire and

SER0137761	Service Request - Yard issues on private propertySER0137761	Not sure how to report this issue as there are multiple issues, i.e., code enforcement as there are multiple cars on property, anywhere from 6-8 cars. It appears as it may be an unlicensed business particularly on weekends, with oil changing, engine repairs, wheels, etc as peak times. It has been a rental for multiple tenants for 7-8 years at least and this car repair stuff has been going on for years. We thought we should finally report.	2735 Azuza Way, Reno, NV 89502	Closed	Code Enforcement	2026-07-30 09:20:16
