SER0147213	40 Brett Harte- Concrete in gutterSER0147213	Per Voicemail Good morning. I wanted to report that on 40 Brett Hart Avenue. The owner, or the occupant of the house, has put a pipe in the gutter and poured concrete over it. Um, I am not sure that it will, um, work to drain as well as before. It may, in fact, cause a backup and flood, and it's also unsightly and I'm sure they didn't get a permit for it. So I would appreciate it. If you would take a look and have them take it out if it's not what it's supposed to be and then it's not permitted. Thank you, 40, Bret Harte. Bye. 775-848-6824	40 Bret Harte Ave, Reno, NV 89509	Closed	Code Enforcement	2026-10-09 09:15:38

SER0147255	Service Request - Sidewalk ObstructionSER014725 5	I went to get some bloodwork done and noticed this little small bar bolted to the sidewalk directly in front of the door. It concerned me because many elderly people unable to walk well will come across this or TRIP & FALL!. I tried to remove it as I left - it's screwed in and possibly glued into placed. This seems very dangerous for those entering. It about 2 ft. in direct path of the door - not to the side where folks could avoid it. Thank you, it would be awful for anything to trip and injure themselves. As you can see it's lifted up on one side as to create a way to trip people.	890 Mill St, Reno, NV 89502	Open	Code Enforcement	2026-10-09 11:01:07

SER0147266	540 Putnam-BlightSER0147266	RP advised via voicemail that the home is not being maintained. There are broken windows with cardboard placed on them. "Hello um I live at 545 Putnam in the house, across the street, 540 Putnam. I'll probably submit something through Reno direct too but um it's a rental house that's not being properly maintained There are cardboard boxes in the windows. I think the windows might be broken, I don't think the tenant is taking care of the home and, kind of taking advantage of the tenants who live there who are college kids. It would be great if someone could come and take a look at it, there's a few windows that just have cardboard boxes, placed, and it was like that over last winter when it was cold. It's 540 Putnam. Thank you.		Open	Code Enforcement	2026-10-09 11:59:03

		regarding the habitability, safety, sanitation, and maintenance of the premises. The circumstances implicate multiple provisions of the Nevada Residential Landlord and Tenant Act, including NRS 118A.110, 118A.242, 118A.280, 118A.290, 118A.350, 118A.355, 118A.390, and 118A.510. We possess dated photographs, video recordings, written correspondence, and other documentation supporting our allegations. 		June 30, 2026. On July 27, 2026, you provided a move-out statement identifying: Original security deposit: \$1,900.00 Claimed deductions: \$1,042.66 Acknowledged refundable balance: \$857.34 Despite acknowledging the refund owed, you have failed to remit payment. Under NRS 118A.242(4), landlords are required to return the remaining security deposit and provide an itemized accounting no later than 30 days following termination of the tenancy. The statutory deadline expired July 30, 2026. Your suggestion that payment could be made through Zelle did not constitute actual delivery

		or mailing of the refund. Under NRS 118A.242(6), failure or refusal to return the remaining security deposit within the required period creates liability for damages equal to the original security deposit, plus a court-determined additional amount not exceeding the original deposit. Our settlement demand is therefore: Security deposit statutory recovery: \$1,900.00 Additional statutory damages demanded: \$1,900.00 TOTAL: \$3,800.00 The additional damages are subject to judicial determination under NRS 118A.242(7). SER0147417	407 Imperial- Rental property issuesSER0147417	Per Voicemail Hi, this is mechanica Charlotte. I believe I left a message over the weekend, but I am renting a house and it is an extreme. Of multiple codes. Um, our windows are sealed shut and then they just put an AC inside 1 of my windows and um, it falls out every time I open it. So I don't really have a proper fire escape as well as as well as the sewage backed up and he said that they were mediated at beef. It's still smell a very thick ammonia smell. I do not believe this little bowl and, um, he said, he hired his own inspection and it passed, but I don't believe that's possible because my bedroom was locked. So I just need someone to come out and inspect the house. So I can legally talk to my landlord about his options. Thank you. SER0147535	Service Request - Debris on Private PropertySER0147535	On Monday, October 12, 2026, I was on my way out, when I noticed my next-door neighbor at 821 Borite Circle, had her off-street parking area full of garbage that had been dumped. Recently all of this refuse was sitting on her back porch patio area. I think she is sick and bed-ridden because home health aides, family members and friends have been coming by to take care of her. I have not seen her in weeks/months. Ongoing, someone has been trespassing on our properties and stealing trash bags from the waste management containers. They have never dumped my trash, but every week they steal my trash bags. I never hear or see the, so i don't know what time they strike. A lot of her garbage they dumped is unsanitary, broken bottles, trash, furniture items, etc.. I wonder who is going to clean this mess up?
