4. Cornole: A bag that passes through the cornhole board hole at anytime during the frame – 3 points.
5. A bag that is touching the ground and the board is worth zero points.

Miscellaneous

8. Bags and boards will be provided by the Parks and Rec Department.
9. Players must deliver the bag with an under-hand release.
10. Feet must stay behind the line of the front of the board as they release the bag.
11. The team that scored in the previous frame, pitches first in the next frame. If neither player/team scores, the player/team who pitched first in the preceding frame shall retain first pitch in the next frame.
12. If bags become piled inside the cornhole board hole and may interfere or obstruct with the next pitch or if there is a question whether a cornhole bag would have naturally fallen through the hole, a player may request to "rake" the cornhole bags that have fallen inside the hole.
13. A player can only straighten cornhole boards in between frames and with the approval of their opponent. The board outline for correct placement will be taped on the floor.
14. Boards are placed 27ft from front edge to front edge.
