Permit Number/s (may include multiple building permits for MF repeats)

This form is required to request sewer service from the City of Reno. This application is required for projects that will sewer to the Reno Stead Water Reclamation Facility or projects within the Reno city limits that will sewer to Truckee Meadows Water Reclamation Facility. Projects that will be served by any other treatment plant will require a will-serve letter from the responsible agency and should not use this form. Single family repeats that are included in an approved final map should not use this form.
