GENERAL INFORMATION

Reno is the largest city in Northern Nevada. The City, located in the southern part of Washoe County, is nestled on the eastern slope of the Sierra Nevada Mountains in an area called the Truckee Meadows. The City has a Council-Manager form of government with five Council members representing wards and one Councilmember elected at large for staggered four year terms. The Mayor is the chief elected official and formal representative of the City. Elected at-large, the Mayor serves a four-year term. The City Attorney and Municipal Court Judges (4) are also elected. The City Manager is selected by the Council and is the City's chief administrative official. The City Manager is responsible for all City business.

The Truckee Meadows and surrounding area provide unlimited indoor and outdoor recreational activities. Within a fifty-mile radius lie spectacular Lake Tahoe and the largest concentration of ski areas and ski facilities in the world. Biking, camping, hunting, fishing, and mountain climbing are all available within a thirty-minute drive.

The Airport Authority of Washoe County operates two airports. Reno/Tahoe International Airport, located about two miles from downtown, is serviced by most of the major airlines. Reno/Stead Airport, a general aviation airport located about 15 miles north of downtown, is home of the annual Reno National Championship Air Races and is surrounded by a growing industrial park.

The City of Reno is host to a eight-day 50's nostalgia celebration called Hot August Nights; the Great Reno Balloon Races, a three-day event competition for hot air balloonists; the Reno Rodeo, one of the largest rodeos in the west; the month long "Artown" festival in July, and various special events hosted by the Parks, Recreation and Community Services Department.

GOVERNMENT STRUCTURE AND SERVICES

The "City of Reno" consists of the City and the Redevelopment Agency of the City of Reno. Although the City and the Agency are separate legal entities, the Reno City Council exercises oversight authority of the Agency. The members of the City Council act as the governing body of the Agency and City staff provide management support and technical assistance to the Agency.

The City provides the full range of municipal services contemplated by statute or charter:

- General government services provide centralized policy management, financial management, information and records management, human resources, risk management, legal, and business management services to the public and operating departments.
- Public safety, health and sanitation, and judicial services include police services, consolidated fire services including prevention, fire suppression, and the municipal court.
- Information Services provides information technology support and a centralized 911 dispatching service for the City, County and other local safety agencies.
- Public works include storm water management, wastewater collection and treatment, streets and traffic management, facilities maintenance and fleet services. Public works also provides maintenance of the Redevelopment Agency facilities including the River Walk.

- Culture and recreation services provide safe and attractive parks, diverse recreational programs, and special and cultural events. In addition to community wide programs including recreational, sporting, instructional, and aquatic activities, there are special programs which target at-risk youth, special needs citizens, and senior citizens.
- Community support services include comprehensive planning, administration of federal CDBG and HOME grants, development review, building inspection, and zoning enforcement.

CITIZEN INVOLVEMENT

The City of Reno encourages public participation through various citizen commissions and councils. The commissions established by the City Council include, among others, the Planning Commission, Recreation and Parks Commission, Civil Service Commission, Financial Advisory Board, Board of Adjustment, Traffic Advisory Committee, Senior Advisory Committee and the Bicycle Committee. The purpose of each commission and committee is to provide guidance and resolve issues affecting their area of responsibility. City staff provides support to the commissions and committees in carrying out their assigned responsibilities.

The Council has also established Neighborhood Advisory Boards (NABs) in eight areas of the City. These citizen committees provide input to the City Council on all City services for their area and communicate the needs and desires of the residents to the City Council. The NABs are composed of residents who live in each Reno neighborhood. The members are a group of volunteers who are appointed by the City Council for three-year terms. The committee meetings provide an arena for residents to voice their concerns related to such issues as new development projects, police protection, code enforcement, neighborhood planning and other neighborhood concerns. City staff provides support to these boards.

ECONOMICS

Reno's economy is principally based in the trade and service sector, with approximately 60% of the work force employed in these occupations. Although gaming and other recreational activities represent a significant portion of the growing economy and assessed valuation, the City is experiencing gradual diversification of its business base with the expansion of distribution, warehousing, and manufacturing facilities. Approximately 35% of the workforce is employed in the fields of construction, manufacturing, transportation, communications, public utilities, and finance related services. Nevada's Freeport Law exempts state taxation on all personal property in transit through Nevada while it is being stored, assembled or processed for use in another state. The Reno area is serviced by two major highways. The Union Pacific railroad and a number of trucking and airline carriers make it possible to ship from Reno to 80% of the 11 western states on a next-day basis.

Nevada has no corporate or personal income tax, and is a right-to-work state. These factors have contributed to the State's tremendous growth in the 1990's and into this decade. In 2005, Inc. magazine has tabbed Reno No. 1 on its list of the "Best Places to Do Business in America," based this year on job growth figures among 274 metropolitan areas.

In addition to the accomplishments of the Economic Development Authority of Western Nevada in bringing new business to Northern Nevada, the City of Reno Redevelopment Agency has completed both entertainment and housing projects in the City's downtown sector.

Over thirty million dollars of City and one billion dollars in private/other public, investment has been made in downtown Reno to modernize and beautify infrastructure and facilities. A maintenance district was established to ensure that the downtown area will remain clean and beautiful. The City also established a police district downtown to ensure a safer environment.

The Reno Sparks Convention and Visitors Authority constructed a National Bowling Stadium, which has been sold to the City, but remains operated by the Authority. Currently the stadium brings in over 100,000 people to Reno in tournament years and generates \$100 million for the local economy each year. The City, working with the Nevada State Legislature, has instituted a new Downtown Lodging Fee to raise funds for a major upgrade to this facility which has secured the continuation of the bowling tournaments for the next 20 years.

The City of Reno, in partnership with local businesses, is developing a new Midtown Area which will include new restaurants, bars, retail, housing and commercial development over 20 square blocks funded with all private dollars. The City is supporting this project through updated zoning, a pilot parking project and other land use tools to encourage the success of the district.

Areas impacted by the economic downturn include an unemployment rate of 12%, housing foreclosures, decrease in sales price for housing, decrease in new construction. The City of Reno like most governmental agencies in Nevada and the County had to reduce the cost of doing business. This was accomplished by reducing the size of the workforce, reduction in capital projects, reduction in purchases, and other cost cutting measures.

City Charges and Fees

The Reno City Council adopts a charges and fee schedule each year.

The fee schedule increases for FY 2013/14, not governed by N.R.S.; R.M.C.; or are development driven, did not reflect a substantial increase over the FY12/13 adopted fee schedule. Where the increase created odd cents or minor changes, the charge or fee remained the same. Charges and fees based on salaries were increased by the annual increase in salaries for the year.

The City Council adopted Resolution No. 7860, superseding Resolution No. 7702 regarding Service Charges and Fees for Fiscal Year 2013/14 for the City of Reno, Nevada, on May 22, 2013. Copies of the entire Resolution, or part of the Resolution, are available from the City Clerk's Office, Second Floor, One East First Street, Reno, Nevada 89505.
