

STATEMENT OF QUALIFICATIONS
SUBMITTAL FORM
for

Land Surveying

This submittal form will be used to provide information for the unranked service category of **LAND SURVEYING**, which includes, but is not limited to the following areas of expertise: the establishment of boundaries, resolution of right-of-way location, boundary line adjustments, horizontal and vertical control surveys, GPS mapping, the resolution of conflicting surveys, the preparation of legal descriptions and necessary plats for recordation, aerial control surveys, and the ability to complete ALTA/ACSM land title surveys.

Firms must perform the majority of the work in this category with in-house staff under the direction of a Registered Land Surveyor licensed in the State of Nevada in order to be qualified as a service provider in this category.

This form must be completed and submitted according to the guidelines set forth in the "Request for Statement of Qualifications". Any manipulation of this form is forbidden and may result in disqualification.
