

STATEMENT OF QUALIFICATIONS  
SUBMITTAL FORM  
for

Storm Water Quality Management, Planning, and Design Services

This submittal form will be used to provide information for the unranked service category of **STORM WATER QUALITY MANAGEMENT, PLANNING and DESIGN SERVICES**, which includes, but is not limited to: design of structural controls and low impact development projects, geotechnical evaluation of infiltration and pollutant carrying capacity, evaluation of flood control facilities' impact on storm water quality, assistance with implementation or modification of: storm water quality management program, public outreach for non-point source pollution prevention, sampling and monitoring plan, design guidance worksheets using Visual Basic, and/or guidance manuals.

Firms must perform a majority of the work in this category with in-house staff under direction of a Registered Professional Engineer licensed in the State of Nevada.

This form must be completed and submitted according to the guidelines set forth in the "Request for Statement of Qualifications". Any manipulation of this form is forbidden and may result in disqualification.
