

STATEMENT OF QUALIFICATIONS
SUBMITTAL FORM
for

Structural Design

This submittal form will be used to provide information for the unranked service category of **STRUCTURAL DESIGN**, which includes, but is not limited to: pre-structural inspections of City-owned facilities, design of temporary and/or permanent structural members, estimate of probable construction costs, submittal and shop drawing reviews, inspection during construction and post-construction inspection. All structural design shall conform to the most current building code standards including seismic, snow and wind loads.

Firms must perform a majority of the work in this category with in-house staff under direction of a Registered Professional Engineer licensed in the State of Nevada.

This form must be completed and submitted according to the guidelines set forth in the "Request for Statement of Qualifications". Any manipulation of this form is forbidden and may result in disqualification.
