 Contractor Phone: (775) 826-8872

Project Description & Purpose

The project scope includes removal of a majority of the existing grandstand seating, relocation of concession and bathroom facilities, and installation of a new Won-door.

This project will open up floor space in the spectator/vendor area and also increase the floor space between the bowling lane seating and bowling ball racks.

Contract change order approved to install LED lights above bowling and vendor/spectator areas on 4th floor along with HVAC controls upgrade.

Latest News February 2020

Construction began January 2019. Construction work, punch list items and change order work was completed late January 2020.
