 Public Works Dept: (775) 334-2548
 Design Firm Name: City of Reno
 Construction Contractor: Sierra Nevada Construction
 Contractor Phone: (775) 355-0420

Project Description & Purpose

The scope of the contract is to provide miscellaneous sewer collection system repairs, city wide, and an as-needed emergency on-call work. The contract will include predetermined locations for sewer repair. The work will typically include replacement of 8-inch to 15-inch diameter sanitary sewer pipe, replacement or repair of sewer manholes, reestablishment of sanitary sewer service lateral connections, required bypass pumping, traffic control and all miscellaneous and incidental work necessary to complete the work.

Latest News January 2020

The Contract to Sierra Nevada Construction was approved by City Council on February 27, 2019. Construction on repairs started in March, 2019. Contract is scheduled to end in February of 2020.
