Golden Valley Lift Station Replacement Project

City Contract No. I400098A

Contact Information

Reno Project Manager: Randall Rice, PE
 Reno Contact Phone: (775) 326-6619
 Reno Contact Email: RiceRa@Reno.gov
 Public Works Dept: (775) 334-2548
 Design Firm Name: Brown and Caldwell
 Construction Contractor: TBD
 Contractor Phone: TBD

Project Description & Purpose

The project includes design and construction of a new lift station. The new lift station will be constructed adjacent the existing Golden Valley Lift Station. New property is being acquired from Washoe County to facilitate the installation.

The project improvements will increase both the capacity and function of the lift station. The existing lift station will be demolished once the new station is operating satisfactorily. Additionally, odor control services have been initiated to identify areas where inadvertent sewer odors may be improved at the lift station.

Latest News February 2020

Brown and Caldwell (B&C) was awarded the design and began services in February, 2019.

Design plans are being developed in conjunction with the design report; drawings are anticipated to be completed February, 2020.

The project is anticipated to go to bid in early 2020 and construction is anticipated to begin in spring 2020.

Project Schedule

Design Completion: February 7, 2020
 Advertise: February 18, 2020
 Bid Opening: March 10, 2020
 Council Award: April 8, 2020
 Construction Start: April 20, 2020
 Construction Complete: April 2021

Construction Costs/Funding Sources

Funding Source: Sewer Fund

Engineer's Estimate: \$5,000,000.00

Construction Traffic Control
