Project Description & Purpose

The major work items include: the construction of a new public park, located at 2110 Hawk Meadow trail. The new park will measure approximately 5.7 acres in area. The park amenities will include: a new 2-room restroom, play equipment, small and large fenced dog park areas, community garden, walking paths, and a parking lot.

Latest News November 2019

Construction is progressing, as scheduled. Due to anticipated inclement weather, the Contractor will suspend most operations that cannot be completed in the winter weather.
