

Resolution of citations in lieu of COVID-19

The Reno Court has initiated a program to facilitate negotiation of minor misdemeanor citations. Examples of minor citations include speeding, failure to maintain lane, failure to yield, and stop-sign violations. To facilitate the program, alleged violators must contact the Reno City Attorney's Office via email at trafficcitations@reno.gov and provide certain information regarding the citation. Required information includes name, address, citation number, telephone number, and email address, if different from the one used for initial contact.

Alleged violators will be contacted to discuss settlement of the citation without a formal in-court proceeding. If a settlement is reached, the necessary forms will be sent electronically to review and sign. Fines may be paid online via the [Reno Municipal Court website](#)

Driving under the influence, traffic accidents, and other crimes involving a victim(s) are not subject to these programs.
