

REIGNITE RENO

Reignite Reno is a City of Reno program designed to pursue relief and recovery initiatives for businesses and employees impacted by the COVID-19 pandemic. As we enter the recovery phase and businesses are permitted to reopen with social distancing measures and occupancy controls, temporary regulatory changes are permitted. Each business must follow the State of Nevada Executive Orders and Regulations on social distancing recommendations. These guidelines provide temporary regulations for operating while social distancing recommendations are in place.

Temporary Uses	Details
<p>Temporarily allow drive-through operations and curbside pick up for restaurants and retail businesses for the duration of social distancing directives.</p>	<ul style="list-style-type: none"> ● Temporary drive-through and curbside pick up is allowed while social distancing recommendations are in place. ● Parking may be reduced temporarily to accommodate drive-through or curbside pick up facilities.
<p>Temporarily allow outdoor operations for restaurants and retail businesses on private property.</p>	<ul style="list-style-type: none"> ● Each business must follow social distancing recommendations for spacing of tables, chairs and other furniture. ● Outdoor dining and sidewalk sales may only operate outdoors on private property during hours that are consistent with the business operating hours. ● Business operators are responsible for cleaning and sanitizing the outdoor areas. ● All items shall be moved into the business at the end of closing, no overnight storage will be allowed. ● The City reserves the right to order the business operator to remove outdoor dining or retail sales that: <ul style="list-style-type: none"> ○ (i) creates an obstruction to, or causes congestion of, pedestrian or vehicular traffic; ○ (ii) the business operations present a danger to the health, safety, or general public welfare; and ○ (iii) the business operator violates these requirements of State of Nevada Executive Orders and Regulations. ● The City is not responsible for any damage or loss of any business personal property. ● Parking may be reduced temporarily to accommodate outdoor operations.

Temporarily allow outdoor operations for restaurants and retail businesses **on public sidewalks and rights-of-way.**

- All outdoor dining and retail uses must first submit a Temporary Revocable Occupancy Permit with the City of Reno and comply with the terms and conditions. Contact Public Works - Capital Projects Division at capproj@reno.gov for permit applications and any questions. Fees will be waived for Temporary Revocable Occupancy Permits while COVID-19 social distancing guidelines are in place.
- Each business must follow social distancing guidelines for spacing of tables, chairs and other furniture.
- Outdoor uses must maintain a minimum of six feet of public pedestrian walkway space (pedestrian path). Narrower pedestrian walkways may be considered on a case-by-case basis where requirements of the American Disabilities Act and social distancing guidelines can be maintained.
- No tables, chairs, umbrellas, merchandise racks, or other objects shall encroach into the pedestrian path, sidewalk ramp, or corner curb ramp area.
- Furniture, fixture, or equipment shall not be permanently affixed to the public sidewalk.
- Access to fire hydrants, fire hose building connections for sprinkler systems, and building entrances and exits shall not be obstructed.
- Outdoor dining and sidewalk sales may only operate on the public sidewalk area during hours that are consistent with the business operating hours.
- Business operators are responsible for cleaning and sanitizing the public sidewalk area.
- All items shall be moved into the regular business location when the business is closed.
- No overnight storage will be allowed.
- The City reserves the right to order the business operator to remove outdoor dining or sidewalk sales that:
 - (i) creates an obstruction to, or causes congestion of, pedestrian or vehicular traffic;
 - (ii) the business operations present a danger to the health, safety, or general public welfare; and
 - (iii) the business operator violates these requirements of State of Nevada Executive Orders and Regulations.
 - (iv) construction work zones for the completion of repairs or reconstruction projects.
- Additionally, the City may require removal, temporary or permanent, of the outdoor dining or sidewalk sales due to City requirements or utility company requirements that have franchise or other rights to the public right-of-way. The business owner shall be responsible to the City for any removal costs if the business owner fails to remove the outdoor dining or sidewalk sale after reasonable written notice from the City.
- The City is not responsible for any damage or loss of any business personal property.

<p>Temporarily allow outdoor activities including but not limited to distribution, warehousing, processing and assembly for the duration of social distancing directives.</p>	<ul style="list-style-type: none"> ● All items shall be moved into the regular business location when the business is closed. ● No overnight storage will be allowed. ● Areas must be located at least 150 feet from residentially zoned property. ● Use of mechanized equipment (forklifts, etc) for outdoor activities must be located at least 300 feet from residentially zoned property. ● Generation of glare, noise, smoke and particulate matter, odors, noxious matters, vibration, and fire hazards must be minimized and mitigated to at a minimum comply with general environmental standards outlined in RMC Chapter 18.12, Article 15. ● Outdoor activities may only operate during hours that are consistent with the business operating hours. ● The City reserves the right to order the business operator to cease outdoor activities that: <ul style="list-style-type: none"> ○ (i) create an obstruction to, or causes congestion of, pedestrian or vehicular traffic; ○ (ii) the business operations present a nuisance or danger to the health, safety, or general public welfare; ○ (iii) the business operations are found to violate general environmental standards outlined in RMC Chapter 18.12, Article 15; or ○ (iii) the business operator violates these requirements of State of Nevada Executive Orders and Regulations.
