

## 2021 Stewart/E. Taylor Neighborhood Street & Sewer Rehabilitation Project

**PWP No. WA-**

**City Contract No. F100106**

### **Contact Information**

Reno Project Manager: Jonathan Smith  
 Reno Contact Phone: (775) 334-3880  
 Reno Contact Email: SmithJ@reno.gov  
 Public Works Dept: (775) 334-2548  
 Design Firm Name: Farr West Engineering  
 Construction Contractor: TBD  
 Contractor Phone: TBD

### **Project Description & Purpose**

This project is one of the 2021 neighborhood street rehabilitation units. It is a combination street and sewer rehabilitation project and will rehabilitate and/or replace sanitary sewer and neighborhood streets. The project area will include portions of Stewart Street between Kirman Avenue and Kietzke Lane, Gould Street between Mill Street and Stewart Street, Dayton Street between Stewart Street and Gould Street, and East Taylor Street between Kirman Avenue and Kietzke Lane.

The neighborhood streets are in Ward 3.

Please see the project map for specific project streets.

### **Latest News September 2020**

This project is currently in design. Neighborhood streets have been marked out for possible removal limits of sidewalks, curb and gutter, and driveways. SAD assessments have been marked out as well.

### **Project Schedule**

Design Completion: November 2020  
 Advertise: January 2021  
 Bid Opening: February 2021  
 Council Award: February 2021  
 Construction Start: April 2021  
 Construction Complete: July 2021

### **Construction Costs/Funding Sources**

Funding Source: Street & Sewer Fund

Engineer's Estimate:

### **Construction Traffic Control**

For current traffic control, please see City of Reno's road closure information at [reno.gov](http://reno.gov).
