# Welcome to Youth Programs

Thank you for giving the City of Reno the opportunity to enrich the lives of your children! We strive to provide our youth with a positive and safe environment while providing educational and recreational opportunities.

The City of Reno provides the Sierra Kids Before and After school program and various summer, fall, winter and spring break camps to meet the needs of parents and guardians.

We are partners in the community with the Children's Cabinet, Northern Nevada Food Bank, and the Washoe County School District. We thank our partners for their help and support.

This Parent/Guardian Handbook includes important program information. We encourage all parents/guardians to read and become familiar with the policies and procedures and to *discuss the program rules and expectations with their child. This is vital to the success of our programs.*

Creating a successful experience requires frequent and open communication between staff and parents. If you have concerns about your child's experience in a youth program, please schedule a convenient time to discuss important issues by calling the Youth Division office at (775) 334-4280. Youth supervisors are available to meet with you and welcome your comments and suggestions.

## Youth Services Mission Statement

## Conduct and Discipline

City of Reno Parks & Recreation programs and facilities promote learning, leisure, and respect in a safe environment.

All patrons, staff, and volunteers have the right to be safe and to feel safe while attending a program. With this right comes the responsibility to be accountable for actions/behaviors that affect safety and perception of the safety of others.

All participants, parents/guardians, and employees of the Parks & Recreation Department are responsible for reading and familiarizing themselves with the policy and procedures.

Examples of inappropriate behavior (but not limited to):

- **Inappropriate action/behavior:** Abusive language and/or inappropriate gestures/actions directed toward participants, staff, or other persons, which strains interpersonal relationships and creates public embarrassment.
- **Harm to others:** Physically assaulting another person (participants, staff or other persons), *including but not limited to:* striking, pushing, shoving, spitting, proximity intimidation and/or grabbing; or any other attempt or threat to physically injure another person.
- **Harm to self:** Physically harming/injuring self or attempting or threatening to do so.
- **Misuse/Damage of property:** Improper care or misuse of items that belong to the City, school - site location or items belonging to another person.
- **Stealing:** Removing property belonging to others, the City, or other facilities without permission.
- **Noncompliance with rules:** Noncompliance with program and facility rules.
- **Bullying:** Any form of bullying is strictly prohibited.  
Forms of bullying include, but are not limited to, any severe, pervasive, or persistent act or conduct whether physical, electronic, or verbal that:  
May be based on a *person's* actual or perceived race, color, ethnicity, religion, national origin, sex, age, marital status, personal appearance, sexual orientation, gender identity or expression, intellectual ability, familial status, family responsibilities, matriculation, political affiliation, genetic information, disability, source of income, or any other distinguishing characteristic,  
or on a *person's* association with a person or group with any of the actual or perceived foregoing characteristics; and can reasonably be predicted to:
  - Place the youth/*person* in reasonable fear of physical harm to their person or property;
  - Cause a substantial detrimental effect on the youth's/*person's* physical or mental health;
  - Substantially interfere with the youth's/*person's* academic performance or attendance; or
  - Substantially interfere with the youth's ability to participate in or benefit from the services, activities, programs, facilities, or privileges provided by an agency or contractor or agent thereof.

When working to guide participant behavior, staff will first employ problem-solving techniques to help participants understand the consequences of their behavior. If problem-solving shows insufficient results for maintaining a safe environment for all, staff will implement the following progressive discipline steps to get a child back on track with the code of conduct policy:

***Note: In severe cases, a participant may be removed immediately from the program. The length of that suspension will be at the City of Reno Parks & Recreation discretion, up to a permanent suspension. No refunds or credits will be granted for suspended program days, no exceptions.***

1. **Communicate appropriate behavior:** A staff member will communicate appropriate behavior to the participant. The participant will convey to the staff the appropriate behavior required, and the participant will be told the consequences of the inappropriate behavior should it continue.

2. **Quiet time:** If inappropriate behavior continues, a staff member will have the participant go to a designated personal space area for five to ten minutes prior to rejoining the group. The staff member will reiterate the desired behavior and further consequences should the behavior continue and allow the participant to return to the group.
3. **Inappropriate Behavior Tracking Form:** If a behavior concern is identified, a staff member will track the participant's behavior. Description of the behavior and staff actions will be documented using the PBIS system. Inclusion staff to be involved in site staff conversation on the child's target behavior. An Assessment and Accommodation Request form might also be requested at this time. This form will be used by staff to assess needs and identify reasonable modifications, on a case-by-case basis, in an effort to achieve full participation.
4. **Suspension:** The steps listed above are used to correct behavior(s) in most cases. If they are unsuccessful, a participant will be suspended from the program. These steps will not be followed if management determines for safety or other reasons that the behavior displayed requires immediate suspension. If a send home is determined to be necessary, parents/guardians have 30 mins to pick up their children before regular late fees will be charged.
  - **First Suspension:** After following steps 1 through 3 to correct inappropriate behavior, if the behavior continues, the participant will be suspended for one day.
  - **Second Suspension:** Should inappropriate behavior continue after the first suspension, the participant will be suspended for two to five program days and will not be able to register for any other City of Reno Parks & Recreation program. A mandatory parent/guardian conference will be required prior to the participant's return to the program.
  - **Third Suspension:** Up to one-year suspension from all City of Reno Parks & Recreation programs, depending on the severity of the offense/behavior.

## First Aid and Accident Procedures

For the care of the participants, all sites have at least one staff member trained in CPR and First Aid. If an accident occurs while your child is attending a youth program, our staff is trained most importantly to remain calm. Below are the guidelines we utilize for Youth Services Division staff.

### **Major Injuries** (broken bones, heat stroke, serious bleeding, head injury, etc.)

- Staff will stay with the child and send someone to notify the Recreation Leader or Assistant.
- Recreation Leader or Assistant will call the ambulance, Recreation Supervisor/Coordinator and parent/guardian after they have assessed the injury.
- Staff will fill out an accident report.

### **Minor Injuries** (cuts, bumps, scrapes, sprains, abrasions, bruises, etc.)

- Staff will stay with the child and send someone to notify the Recreation Leader or Assistant.
- Recreation Leader or Assistant will call the child's parent/guardian and Recreation Supervisor/Coordinator after they have assessed the injury.
- Staff will provide first aid (i.e. ice, gauze, band-aid).
- All head injuries will be reported to parents/guardians immediately regardless of the severity.
- Staff will fill out an *incident*/accident report.
- Staff will notify the parent/guardian of the injury at the time of pick up regardless of the severity.

### **Illness**

- For the safety of our staff, we encourage participants to stay home if feeling ill.
- If a participant vomits during the program, parents will be notified, and the child must be picked up immediately.

## Digital Media Policies and Procedures

Any student with a laptop that is school property and is intended only for approved educational uses, the student's possession and use of the laptop will be subject at all times, both on and off campus, to the terms and conditions described in this document.

The student may not use the laptop for instant messaging (“IM”) or visiting chat rooms or non-school social media or networking websites such as Facebook, Twitter, YouTube, Tik Tok or Snapchat, unless access has been specifically approved by the staff of City of Reno Parks and Recreation.

The student and the student’s parent/guardian acknowledge that they are solely responsible for ensuring that the student’s use of the laptop to access the Internet while off campus will be safe and responsible and in compliance with all applicable laws, policies, rules, and regulations. The student and student’s parent/guardian will hold the City of Reno and its employees harmless for any harm that may come to the student or any other person as a result of the student’s off-campus Internet activities.

All students must adhere to the same policies while at the Sierra Kids Program in regard to the use of personal cell phones and smart watches. Cellular phones may be used for emergency purposes only. Students caught in violation of this policy will forfeit their cellular phone or smart watch to staff for the remainder of the day and will be surrendered to their parents or guardians at the conclusion of the day.

## General Youth Program Information

**Access to All:** The City of Reno welcomes the opportunity to provide accommodations to people with disabilities so that full participation in leisure and recreation programs, classes, services and facilities may be enjoyed by all. Department staff embrace the provision of the Americans with Disabilities Act. If you or a family member require a reasonable accommodation to participate in a program, please complete the Accommodations Request a minimum of five business days prior to the start of the program.

Upon notification, efforts will be made to accommodate your request. If you have any questions or need additional information, please contact the Inclusion Services staff at 775-334-2262. Hearing impaired individuals can use Nevada Relay - dial 711 for assistance.

**Personal Care:** Individuals with disabilities are encouraged to participate in our programs; however, those needing assistance with toileting, feeding, or dressing must make personal arrangements for this assistance.

**Conduct of Parent/Guardian:** Adults serve as role models for the youth in our programs. If a parent/guardian has a concern, they shall address the concern in an appropriate and calm manner. The City of Reno Parks & Recreation reserves the right to remove participant(s) from the program due to inappropriate actions by a parent/patron.

Generally, if a parent or other authorized person on the Participant Information Form is not signing in or signing out a child, the parent or other authorized person is allowed to visit his/her child at our programs for no more than 5 minutes in order to administer medicine. For a parent who needs more than 5 minutes

to administer medication, please consult with staff so that a quiet location can be provided. All of our staff members go through an extensive background check, so Sierra Kids or camps cannot allow a parent to have access to the facility for safety and security reasons.

Sierra Kids and camp staff will consult the child's Participant Information Form, and, if necessary, the most recent court order regarding custody, for which parent(s) and/or other individuals may sign in and sign out the child on any given day of the week.

**Contacting Program Participants:** There are no public phones available at individual Youth Services program sites. If an emergency occurs, call the Youth Services office at 775-334-4280 and they will communicate with the site staff.

**Custodial Issues:** The City of Reno provides youth active, positive and safe recreational opportunities. The City of Reno Parks & Recreation Department does not enforce or mediate terms of visitation. If custodial issues are in dispute causing any uncertainty as to which parent is entitled to pick up the child, the Parks and Recreation Department asks that you refrain from registering the child until such issues are resolved. If issues arise once the child has been registered in the program, the City of Reno expects that they will be immediately resolved. If they are not resolved immediately, the department reserves the right to consider whether the child may continue participating in the program.

**Inclement Weather:** On days the Washoe County School District delays the start of school for a "snow day", there is no Sierra Kids morning session. If the WCSD closes school early for a "snow day", the Sierra Kids afternoon session will not be held. *The same applies to "smoke days"* No refunds or credits will be given for missed, sick, suspended, or snow/smoke/weather days

**Insurance & Liability:** The City of Reno Parks & Recreation Department does not provide hospital or medical insurance coverage or assume responsibility for injury to any participants in its programs. Participants are encouraged to obtain their own insurance coverage prior to the start of any program and to consult with a physician before participating in the strenuous activity.

**Late Pick Up:** Late pickup fees are \$20.00 for the first 5 minutes and \$1.00 a minute after program conclusion *and the late payment fee is due* within 24 hours. 3 late pick ups in 1 semester are grounds for removal from the program

**Mandatory Reporters:** Nevada law requires certain people to make reports of suspected child abuse or neglect. These mandated reporters include doctors, dentists, nurses, hospital personnel, daycare providers, clergy, social workers, teachers, and counselors. *City of Reno* Staff will report any suspected abuse to Child Protective Services. Mandated reporters can be charged with a misdemeanor if they fail to report suspected child abuse or neglect. Nevada law does not allow Social Services to disclose the name of the reporting person.

To file a complaint of discrimination, write USDA, Director, Office of Civil Rights, 1400 Independence Avenue, SW, Washington, D.C. 20250-9410 or call (800) 795-3272 or (202) 720-6382 (TTY). USDA is an equal opportunity provider and employer.

**Movies:** The City of Reno staff may take children on field trips to G or PG-rated movies. Movie name will be posted the day of viewing.

**Sunscreen:** Many camp field trips and activities are outdoors, please plan accordingly. Children attending camp should apply sunscreen in the morning before coming to camp. Please provide “spray on” sunscreen for your child in all programs, as leaders are unable to apply sunscreen to the children. Also, remember to bring a sun blocking swim shirt and/or hat if needed for sun protection. Please educate your child about sunburn prevention.
