RENO
Memorandum

DATE: March 5, 2026
TO: Mayor and City Council
THROUGH: Jackie Bryant, City Manager
FROM: Cynthia Esparza, Director
Kaytlin Canner, Clean and Safe Manager
DEPT: Community Engagement & Services
SUBJECT: January 2026 City Walk Outcomes

The City Walks Program is designed to enhance quality of life for residents while expediting service delivery to vulnerable populations.

Coordinated by Clean and Safe, City Walks are data-driven and strategically aligned with broader organizational initiatives. Using an interdepartmental approach, walks promote proactive problem-solving, timely interventions to address emerging Reno Direct service request trends, partners with community members to address concerns, and coordinates with the Reno Police Department's DEEDS (Directed Engagement and Enforcement Deployment Strategies) zones as a mechanism to connect with residents, businesses, services, and enforcement efforts.

Walks take place four days per week, Monday to Thursday, including two days dedicated to walks within the Business Improvement District (BID) in partnership with the Downtown Reno Partnership.
